# Tipton Rifle Nylon Bore Brush Safety Instructions

## Introduction

Thank you for choosing the Tipton Rifle Nylon Bore Brush, 3 pk. This product is designed for effective cleaning of your firearms. To ensure safe and effective use, please read and follow these safety instructions carefully.

## General Safety Guidelines

- Always use the bore brush in accordance with the manufacturer's instructions.
- Ensure that the firearm is unloaded before using the bore brush.
- Keep the bore brush out of reach of children and vulnerable individuals.
- Inspect the bore brush for any damage before each use. Do not use if damaged.
- Store the bore brush in a cool, dry place away from direct sunlight and heat sources.
- Follow local regulations regarding the cleaning and maintenance of firearms.

## Specific Safety Precautions for Use

- Use the bore brush only for its intended purpose—cleaning the bore of firearms.
- Avoid using excessive force while cleaning, as this may damage the bore or the brush.
- Do not use the bore brush on hot barrels. Allow the barrel to cool before cleaning.
- Wear safety glasses to protect your eyes from debris that may be dislodged during cleaning.
- Ensure that the cleaning area is wellventilated to avoid inhalation of any cleaning solvents.

## Instructions for Installation and Usage

### 1. Preparing the Firearm:

- Ensure the firearm is completely unloaded.
- Remove any ammunition from the vicinity.

### 2. Using the Bore Brush:

- Attach the bore brush to a cleaning rod compatible with your firearm caliber (22 Caliber).
- Insert the bore brush into the barrel from the chamber end.
- Rotate the cleaning rod as you push the brush through the barrel to effectively clean the bore.
- Pull the brush back out gently. Avoid pulling it back through the chamber end to prevent damage.
- Repeat the process as necessary until the bore is clean.

### 3. PostCleaning Care:

- After cleaning, inspect the bore for any remaining debris.
- Store the bore brush in its original packaging or a designated storage area.

## Disposal Instructions

- Dispose of the bore brush in accordance with local waste disposal regulations.
- Do not dispose of the bore brush in the recycling bin unless specified by local guidelines.
- If the bore brush is damaged or worn out, replace it with a new one to ensure safe and effective cleaning.

## Contact Information for Further Support

For any safety inquiries or additional support regarding this product, please contact the manufacturer's customer service or refer to the product packaging for further details.

Please ensure that you follow these guidelines to maintain safety while using the Tipton Rifle Nylon Bore Brush. Regular maintenance and proper usage will enhance your firearm's performance and longevity. Thank you for prioritizing safety!
