# Safety Instruction Guide for Tipton Rifle Nylon Bore Brush

## Introduction

Thank you for choosing the Tipton Rifle Nylon Bore Brush. This product is designed to help you effectively clean your firearms, ensuring optimal performance and longevity. Please read this safety instruction guide carefully to ensure safe and proper use of this product.

## General Safety Guidelines

- Always handle firearms with care and ensure they are unloaded before cleaning.
- Keep the bore brush out of reach of children and vulnerable individuals to prevent accidental injury.
- Inspect the bore brush for any signs of damage before use. Do not use if damaged.
- Follow all local laws and regulations regarding firearm maintenance and cleaning.
- If you experience any adverse reactions while using this product, discontinue use immediately and seek medical attention if necessary.

## Specific Safety Precautions for Use

- Use the bore brush only for its intended purpose: cleaning the bore of your rifle.
- Avoid using excessive force when cleaning, as this can damage both the bore brush and the firearm.
- Do not use the bore brush on hot surfaces or when the firearm is still warm to prevent burns.
- Always clean in a wellventilated area to avoid inhaling any debris or cleaning agents.
- Wear protective eyewear to shield your eyes from any potential splatter or debris during the cleaning process.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure your firearm is unloaded and in a safe condition.
- Gather all necessary cleaning supplies, including cleaning solvents and patches.

### 2. Using the Bore Brush:

- Attach the nylon bore brush to a cleaning rod securely.
- Apply a small amount of cleaning solvent to the bore brush.
- Insert the brush into the barrel of the firearm, ensuring it is fully inserted.
- Gently twist and pull the brush through the barrel, repeating this process several times to remove fouling.
- Clean the brush after each use to maintain its effectiveness.

### 3. PostCleaning:

- Inspect the bore for any remaining debris and clean as necessary.
- Store the bore brush in a dry place away from direct sunlight and moisture.

## Disposal Instructions

- Dispose of the bore brush responsibly. If the brush is worn out or damaged, it should be discarded in accordance with local waste disposal regulations.
- Do not dispose of the bore brush in a manner that could harm the environment.

## **Contact Information for Further Support**

For any safety inquiries or concerns regarding the Tipton Rifle Nylon Bore Brush, please refer to the product packaging or visit the manufacturer's website for further assistance.

By following these safety instructions, you can ensure a safe and effective cleaning experience with your Tipton Rifle Nylon Bore Brush. Thank you for your attention to safety and for choosing our product.
