Tipton Rifle Nylon Bore Brush Safety Instructions

Introduction

Thank you for choosing the Tipton Rifle Nylon Bore Brush. This product is designed to assist you in maintaining your firearm by providing a reliable cleaning tool for 30 and 32 calibers. This safety instruction guide aims to ensure the safe and effective use of the bore brush while complying with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Always ensure the firearm is unloaded before cleaning.
- Keep the bore brush out of reach of children and pets.
- Inspect the bore brush before use. Do not use if damaged.
- Store the bore brush in a dry, cool place to prevent deterioration.
- Do not use the bore brush for any purpose other than cleaning firearms.
- Report any unsafe product experiences or accidents to the relevant authorities.
- Stay informed about product recalls through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Use protective eyewear when cleaning your firearm to prevent injury from debris.
- Ensure the cleaning area is wellventilated to avoid inhalation of cleaning chemicals.
- Follow the manufacturer's instructions for any cleaning solutions used in conjunction with the bore brush.
- Do not apply excessive force while using the bore brush to avoid damaging the firearm's bore.
- Always hold the bore brush firmly when inserting it into the firearm's barrel to prevent slipping.

Instructions for Installation and Usage

1. Preparation:

- Ensure your firearm is unloaded and pointed in a safe direction.
- Gather all necessary cleaning supplies, including the bore brush and any cleaning solutions.

2. Using the Bore Brush:

- Select the appropriate bore brush size for your firearm (30 or 32 caliber).
- Attach the bore brush to a cleaning rod if not already attached.
- Insert the bore brush into the firearm's barrel from the chamber end.
- Rotate the bore brush gently while pushing it through the barrel to clean effectively.
- Pull the bore brush back out of the barrel carefully.

3. PostCleaning:

- Inspect the bore brush for any wear or damage after use.
- Clean the bore brush with a suitable solvent if necessary.
- Store the bore brush in a designated place away from moisture and direct sunlight.

Disposal Instructions

- Dispose of the bore brush in accordance with local regulations.
- Do not dispose of the bore brush in regular household waste if it is contaminated with hazardous materials.
- Consider recycling options where available.

Contact Information for Further Support

For any questions or concerns regarding the Tipton Rifle Nylon Bore Brush, please refer to the manufacturer's contact information provided with the product packaging.

By following these safety instructions, you can ensure a safe and effective cleaning process for your firearm. Thank you for your commitment to firearm safety.
