# Tipton Nylon Bore Brush Safety Instruction Guide

## Introduction

Thank you for choosing the Tipton Nylon Bore Brush, designed for effective and safe firearm cleaning. This guide provides essential safety instructions to ensure proper use and maintenance of the product. Please read this guide carefully before using the bore brush.

## General Safety Guidelines

- Ensure that the bore brush is used only for its intended purpose, which is cleaning firearms.
- Always follow the manufacturer's instructions when using the bore brush.
- Keep the bore brush out of reach of children and vulnerable individuals.
- Inspect the bore brush before each use for any signs of damage or wear. Do not use if damaged.
- Store the bore brush in a dry place away from direct sunlight to prevent degradation.
- Report any unsafe products or accidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Use protective eyewear when cleaning firearms to protect against debris and cleaning solvents.
- Avoid using excessive force when cleaning to prevent damage to the firearm or the brush.
- Do not use the bore brush with solvents that are not recommended by the firearm manufacturer.
- Ensure the firearm is unloaded and pointed in a safe direction before cleaning.
- Do not leave the bore brush unattended while in use.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure the firearm is unloaded and check the chamber.
- Gather necessary cleaning supplies, including cleaning solvents and a cleaning rod.

### 2. Using the Bore Brush:

- Attach the Tipton Nylon Bore Brush to a cleaning rod.
- Apply a suitable cleaning solvent to the brush.
- Insert the brush into the firearm's bore gently.
- Move the brush back and forth in the bore to remove fouling.
- After cleaning, remove the brush and clean it with solvent to remove any residue.

### 3. PostCleaning:

- Inspect the bore for cleanliness.
- Store the bore brush in a safe, dry place.

## Disposal Instructions

- Dispose of the bore brush in accordance with local regulations.
- Do not dispose of the bore brush in general waste if it is damaged or contaminated with hazardous materials.

## **Contact Information for Further Support**

For any questions or concerns regarding the Tipton Nylon Bore Brush, please reach out to the manufacturer or your point of purchase for assistance.

Thank you for your attention to these safety instructions. Your careful handling and maintenance of the Tipton Nylon Bore Brush will contribute to safe and effective firearm cleaning.
