Safety Instruction Guide for Tipton Nylon Bore Brush

Introduction

Thank you for choosing the Tipton Nylon Bore Brush. This product is designed to assist you in maintaining your firearms effectively. To ensure safe and effective use, please read this safety instruction guide carefully. It complies with the EU General Product Safety Regulation (GPSR) and provides essential information on safe handling, usage, and disposal.

General Safety Guidelines

- Always handle firearms and cleaning tools with care.
- Keep the bore brush out of reach of children and pets.
- Inspect the bore brush before each use to ensure it is in good condition.
- Use only as intended; do not modify the product.
- Follow all local laws and regulations regarding firearm maintenance and cleaning.

Specific Safety Precautions for Use

- Do not use the bore brush on a loaded firearm.
- Always ensure the firearm is unloaded before cleaning.
- Wear safety glasses to protect your eyes from debris during cleaning.
- Use the bore brush in a wellventilated area to avoid inhaling any cleaning solvents.
- Dispose of any worn or damaged brushes immediately to avoid injury.

Instructions for Installation and Usage

1. Preparation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Gather necessary cleaning supplies, including cleaning solvent and patches.

2. Using the Bore Brush:

- Attach the nylon bore brush to a cleaning rod.
- Apply a small amount of cleaning solvent to the brush.
- Insert the brush into the bore of the firearm.
- Move the brush back and forth gently to clean the bore.
- Remove the brush and clean any debris with a patch or cloth.

3. PostCleaning:

- Inspect the bore for cleanliness.
- Store the bore brush in a dry place, away from moisture and direct sunlight.
- Regularly check the bore brush for wear and replace as necessary.

Disposal Instructions

- Dispose of the bore brush in accordance with local regulations.
- Do not throw the bore brush in the regular trash if it is damaged.
- Consider recycling options if available in your area.

Contact Information for Further Support

For any safety inquiries or further support regarding the Tipton Nylon Bore Brush, please refer to the contact information provided on the packaging or visit the manufacturer's website.

Thank you for your attention to these safety instructions. Your safety and satisfaction are our top priorities.
