Tipton Handgun Bronze Bore Brush Safety Instructions

Introduction

Thank you for choosing the Tipton Handgun Bronze Bore Brush. This product is designed to assist you in maintaining your firearm for optimal performance and safety. Please read and follow these safety instructions carefully to ensure safe use and compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Always use the bore brush in accordance with the manufacturer's instructions.
- Keep the bore brush out of reach of children and vulnerable individuals.
- Inspect the bore brush for any signs of damage before use. Do not use if damaged.
- Store the bore brush in a dry place away from direct sunlight and extreme temperatures.
- Dispose of the bore brush responsibly and in accordance with local regulations.

Specific Safety Precautions for Use

- Ensure that your firearm is unloaded and pointed in a safe direction before using the bore brush.
- Use the bore brush only for its intended purpose: cleaning the bore of firearms.
- Wear appropriate personal protective equipment (PPE), such as safety glasses and gloves, when using cleaning products with the bore brush.
- Do not force the bore brush into the bore of the firearm; use gentle pressure to avoid damage.
- After cleaning, ensure that no bristles or debris remain in the bore before reassembling your firearm.

Instructions for Installation and Usage

1. Preparation:

- Ensure that your firearm is unloaded and safe to handle.
- Gather all necessary cleaning supplies, including the bore brush and cleaning solvent.

2. Using the Bore Brush:

- Attach the bore brush to a cleaning rod according to the manufacturer's instructions.
- Apply a small amount of cleaning solvent to the bore brush.
- Insert the bore brush into the bore of the firearm, ensuring it is aligned properly.
- Gently push the bore brush through the bore from the chamber to the muzzle, and then pull it back out.
- Repeat this process as necessary, usually 23 times, to ensure thorough cleaning.

3. PostCleaning:

- After cleaning, wipe down the bore with a clean, dry patch to remove any excess solvent or debris.
- Inspect the bore for cleanliness and ensure no bristles have been left behind.

Disposal Instructions

- Dispose of the bore brush in accordance with local waste management regulations.
- Do not dispose of the bore brush in household recycling unless specified by local guidelines.
- If the bore brush is damaged or worn out, dispose of it immediately to prevent potential hazards.

Contact Information for Further Support

For any inquiries regarding safety or product usage, please refer to the manufacturer's contact information included with the product packaging. You may also check for any recall updates or safety information on the EU's Safety Gate platform.

Thank you for prioritizing safety while using the Tipton Handgun Bronze Bore Brush. Your attention to these guidelines helps ensure a safe and effective cleaning experience.
