# Tipton Handgun Bronze Bore Brush Safety Instruction Guide

## Introduction

Thank you for choosing the Tipton Handgun Bronze Bore Brush. This product is designed to assist you in maintaining your firearms by ensuring they are clean and safe to use. This safety instruction guide provides essential information on the safe use, installation, and disposal of the bore brush, in compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Ensure that the bore brush is used only for its intended purpose: cleaning firearm barrels.
- Always handle firearms with care and follow all safety protocols when cleaning.
- Keep the bore brush out of reach of children and vulnerable individuals.
- Inspect the bore brush before each use for any signs of damage or wear. Do not use if damaged.
- Do not use the bore brush on hot surfaces or while the firearm is loaded.
- Report any unsafe products or accidents related to the bore brush to the appropriate authorities.

## Specific Safety Precautions for Use

- Always wear safety goggles when cleaning firearms to protect your eyes from debris.
- Use gloves to protect your hands from cleaning solvents and chemicals.
- Ensure that the firearm is unloaded and pointed in a safe direction before cleaning.
- Do not apply excessive force when using the bore brush to avoid damaging the firearm barrel.
- Store the bore brush in a dry place to prevent rust and deterioration.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure the firearm is unloaded and safe to clean.
- Gather necessary cleaning supplies, including cleaning solvent, patches, and the bore brush.

### 2. Using the Bore Brush:

- Attach the bore brush to a cleaning rod.
- Apply a small amount of cleaning solvent to the bore brush.
- Insert the bore brush into the firearm barrel from the chamber end, if possible.
- Push the brush through the barrel in a smooth motion, then pull it back out. Do not twist or force the brush.
- Repeat this process several times, depending on the level of fouling.

### 3. Cleaning Up:

- After use, clean the bore brush with warm water and mild soap to remove any debris.
- Allow the bore brush to dry completely before storing it.

### 4. Storage:

- Store the bore brush in a cool, dry place away from direct sunlight and moisture.
- Keep the bore brush in its original packaging or a designated cleaning kit.

## **Disposal Instructions**

- Dispose of the bore brush in accordance with local regulations regarding household waste.
- Do not dispose of the bore brush in a manner that could pose a risk to the environment or public safety.
- If the bore brush is damaged or worn out, replace it with a new one to ensure safe and effective cleaning.

## **Contact Information for Further Support**

For any safety inquiries or support regarding the Tipton Handgun Bronze Bore Brush, please refer to the EU-based contact provided with your product packaging.

By following these safety guidelines and instructions, you can ensure a safe and effective cleaning experience with your Tipton Handgun Bronze Bore Brush. Thank you for prioritizing safety and responsible firearm maintenance.
