

# **Solid Brass Slotted Tip - Solid Brass Slotted Tip 35 - 44 Caliber**

[Gun Cleaning & Chemicals](#) > [Cleaning Rods & Accessories](#) > [Cleaning Rod Loops](#)

For flooding the barrel with solvent or wiping the bore with oil or preservatives, nothing beats a patch in a Slotted Tip. Tipton® offers an assortment of four caliber range specific Rifle/Pistol tips for your convenience, or they can be purchased separately. Solid brass is softer than barrel steel so there is no worry of damaging your bore, plus they will last much longer than the typical synthetic plastic tips. Rifle/Pistol Tips are threaded 8-32 and the Shotgun Tip 5/16"-27.

# Safety Instruction Guide for Tipton Solid Brass Slotted Tip

## Introduction

Thank you for choosing the Tipton Solid Brass Slotted Tip for your cleaning needs. This product is designed to help you effectively clean and maintain your firearms. Please read this safety instruction guide carefully to ensure safe and proper use of the product.

## General Safety Guidelines

- Always use the product in accordance with the manufacturer's instructions.
- Ensure that the firearm is unloaded before using the cleaning tip.
- Keep the product out of reach of children and vulnerable individuals.
- Inspect the product before use for any signs of damage or wear.
- Do not use the product if it appears damaged or defective.
- Report any unsafe products or incidents to the appropriate authorities.
- Regularly check for recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- The solid brass material is softer than barrel steel, which minimizes the risk of bore damage. However, use caution to avoid excessive force during cleaning.
- When using solvents or oils, ensure that you are in a wellventilated area to avoid inhalation of fumes.
- Avoid contact with skin when using harsh solvents or chemicals; wear gloves if necessary.
- Do not use the cleaning tip for any purpose other than its intended use.
- Always store the product in a safe place after use to prevent accidents.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure your firearm is completely unloaded.
- Gather all necessary cleaning supplies, including solvent, oil, and patches.

### 2. Attaching the Slotted Tip:

- For Rifle/Pistol Tips, screw the tip onto a compatible cleaning rod using the 832 threading.
- For Shotgun Tips, use the 5/16"27 threading to attach to the cleaning rod.

### 3. Cleaning Process:

- Insert a cleaning patch into the slotted tip.
- Apply solvent or oil to the patch as needed.
- Insert the slotted tip into the firearm bore gently.
- Move the cleaning rod back and forth to clean the barrel effectively.
- Remove the slotted tip and patch after use.

### 4. PostCleaning:

- Clean the slotted tip with a cloth and store it in a dry place.
- Ensure all cleaning materials are disposed of properly according to local regulations.

## Disposal Instructions

- Dispose of any used cleaning patches and chemicals in accordance with local waste disposal regulations.
- Do not dispose of the product in regular household waste. Check local guidelines for proper disposal methods for brass materials.

## Contact Information for Further Support

For any questions or concerns regarding the use of the Tipton Solid Brass Slotted Tip, please refer to the manufacturer's contact details provided with your product packaging.

By following these safety instructions, you can ensure a safe and effective cleaning experience with your Tipton Solid Brass Slotted Tip. Thank you for prioritizing safety and compliance with EU regulations.
