

## Solid Brass Slotted Tip Rifle/Handgun set of four

[Gun Cleaning & Chemicals](#) > [Cleaning Rods & Accessories](#) > [Cleaning Rod Loops](#)

For flooding the barrel with solvent or wiping the bore with oil or preservatives, nothing beats a patch in a Slotted Tip. Tipton® offers an assortment of four caliber range specific Rifle/Pistol tips for your convenience, or they can be purchased separately. Solid brass is softer than barrel steel so there is no worry of damaging your bore, plus they will last much longer than the typical synthetic plastic tips. Rifle/Pistol Tips are threaded 8-32 and the Shotgun Tip 5/16"-27.

# Tipton Solid Brass Slotted Tip Rifle/Handgun Safety Instructions

## Introduction

Thank you for choosing the Tipton Solid Brass Slotted Tip Rifle/Handgun set. This product is designed to provide an effective solution for cleaning your firearms. To ensure safe and effective use, please read this safety instruction guide carefully.

## General Safety Guidelines

- Always use the product in accordance with the manufacturer's instructions.
- Keep out of reach of children and vulnerable individuals.
- Inspect the product before each use for any signs of damage or wear.
- Do not use the product for any purpose other than its intended use.
- If you notice any irregularities during use, discontinue use immediately and contact customer support.

## Specific Safety Precautions for Use

- **Potential Hazards:**
  - Risk of injury if used improperly.
  - Risk of damaging the firearm if the product is not compatible.
- **Avoiding Hazards:**
  - Always ensure the firearm is unloaded before cleaning.
  - Use appropriate cleaning solvents and oils that are compatible with your firearm.
  - Do not use excessive force when inserting or removing the slotted tips.
  - Store the product in a cool, dry place away from direct sunlight.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the firearm is completely unloaded.
- Select the appropriate slotted tip for your caliber.
- Thread the slotted tip onto the cleaning rod, ensuring a secure fit.

### 2. Usage:

- Moisten a cleaning patch with the appropriate solvent or oil.
- Insert the moistened patch into the slotted tip.
- Gently insert the slotted tip into the barrel of the firearm.
- Pull the cleaning rod through the barrel in a smooth motion, ensuring the patch cleans the bore effectively.
- Repeat the process as necessary until the bore is clean.
- After use, clean the slotted tips with a suitable solvent and store them properly.

## Disposal Instructions

- Dispose of any used cleaning patches and solvents in accordance with local regulations.
- Do not dispose of the slotted tips in regular household waste. Check for local recycling programs or hazardous waste disposal options.

## **Contact Information for Further Support**

For any inquiries regarding safety, usage, or product support, please refer to the manufacturer's contact information provided with the product packaging.

Thank you for prioritizing safety while using the Tipton Solid Brass Slotted Tip Rifle/Handgun set. Your attention to these guidelines helps ensure a safe and effective cleaning experience.
