Safety Instruction Guide for Tipton Patches

10/12/16 Ga, 3" Square, Bag of 500

Introduction

Thank you for choosing Tipton Patches. This guide provides essential safety instructions to ensure the safe use of these bore patches. Please read this guide carefully before using the product to understand the necessary precautions and proper usage.

General Safety Guidelines

- Ensure that the product is used only as intended.
- Keep the patches out of reach of children and pets to prevent accidental ingestion.
- Always inspect the patches before use for any signs of damage or defects.
- Store the patches in a cool, dry place away from direct sunlight to maintain their quality.
- If you experience any adverse reactions or injuries while using the product, seek medical attention immediately.

Specific Safety Precautions for Use

- Use only with Tipton® Jags and ensure that the jags are compatible with the patch size.
- When using the patches with a slotted tip, select the next size larger for optimal performance.
- Do not use the patches for any purpose other than cleaning firearm barrels.
- Avoid using the patches if they are wet or contaminated with cleaning solvents.
- Be cautious when handling firearms and ensure they are unloaded before cleaning.

Instructions for Installation and Usage

1. Preparation:

- Ensure that your firearm is unloaded and pointed in a safe direction.
- Gather your Tipton patches, Tipton Jags, and any cleaning solvents you plan to use.

2. Loading the Patch:

- Take one patch from the bag.
- Insert the patch into the slotted tip of the Tipton Jag.
- Ensure the patch is securely held in place.

3. Cleaning the Firearm:

- Insert the jag with the patch into the firearm's barrel.
- Gently push the jag through the barrel, allowing the patch to clean the interior surfaces.
- Repeat as necessary, using a fresh patch each time for optimal cleaning results.

4. PostCleaning:

- Once cleaning is complete, dispose of used patches in accordance with local waste disposal regulations.
- Clean your cleaning tools and store them properly after use.

Disposal Instructions

- Dispose of used patches in accordance with local regulations for textile waste.
- Do not dispose of patches in regular household waste if they are contaminated with cleaning solvents.
- If in doubt, consult local waste management guidelines for proper disposal methods.

Contact Information for Further Support

For any inquiries regarding safety or product usage, please refer to the manufacturer's contact details provided on the packaging or the official website.

By following these safety instructions, you can ensure a safe and effective cleaning experience with Tipton Patches. Thank you for your attention to these important guidelines.
