# Tipton Patches 1722 Caliber Rimfire Safety Instructions

## Introduction

Thank you for choosing Tipton Patches 1722 Caliber Rimfire. These patches are designed for efficient cleaning and maintenance of your firearms. This guide provides essential safety instructions to ensure safe usage and compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Ensure the product is suitable for your specific firearm caliber (1722 Caliber).
- Always use the patches in accordance with the manufacturer's instructions.
- Keep patches out of reach of children to prevent choking hazards.
- Regularly inspect the patches for any signs of damage before use.
- Do not use the patches for any purpose other than intended cleaning and maintenance of firearms.

## Specific Safety Precautions for Use

- Use only with Tipton® Jags or compatible slotted tips.
- When using slotted tips, choose the next size larger patch for optimal performance.
- Avoid using patches that are frayed or damaged.
- Store patches in a cool, dry place to maintain their quality.
- Do not expose patches to extreme temperatures or moisture.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure your firearm is unloaded and pointed in a safe direction.
- Gather all necessary cleaning supplies, including your Tipton Patches and cleaning solvents.

### 2. Using the Patches:

- Take a single patch from the bag.
- If using a jag, insert the patch into the jag securely.
- If using a slotted tip, select a patch that is one size larger than the jag for better fit.
- Insert the jag into the barrel of the firearm gently.
- Pull the jag through the barrel, allowing the patch to clean the interior surfaces.
- Repeat as necessary until the barrel is clean.

### 3. PostUse:

- Dispose of used patches in accordance with local regulations.
- Clean and store your cleaning tools and supplies properly after use.

## Disposal Instructions

- Dispose of used patches according to local waste management regulations.
- Do not flush patches down toilets or dispose of them in a manner that could cause environmental harm.

## **Contact Information for Further Support**

For any safety inquiries or further support regarding the use of Tipton Patches, please refer to the manufacturer's contact information provided with the product packaging.

## **Conclusion**

By following these safety instructions, you can ensure the safe and effective use of Tipton Patches 1722 Caliber Rimfire. Always prioritize safety and compliance with applicable regulations during your cleaning and maintenance routines. Thank you for your attention to these important guidelines.
