# Safety Instruction Guide for Tipton Patches 2735 Caliber

## Introduction

Thank you for choosing Tipton Patches 2735 Caliber, 1.75" Square Patches. This product is designed to provide effective cleaning for your firearms, ensuring optimum performance. To ensure your safety and the safety of others, please read and follow these safety instructions carefully.

## General Safety Guidelines

- Always handle firearms with care and follow the manufacturer's safety guidelines.
- Ensure that all cleaning products and accessories are kept out of reach of children.
- Regularly inspect the patches for any signs of wear or damage before use.
- Do not use patches that are torn or frayed, as they may not perform effectively.
- Be aware of your surroundings when cleaning firearms to avoid accidents.

## Specific Safety Precautions for Use

- Use only with Tipton® Jags for best results.
- When using slotted tips, select the next size larger patch for optimal performance.
- Avoid using patches near open flames or high heat sources, as they are made of cotton flannel.
- Do not ingest or inhale any materials from the patches.
- Always clean firearms in a wellventilated area to avoid inhalation of cleaning solvents.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure your firearm is unloaded and pointed in a safe direction.
- Gather all necessary cleaning supplies, including Tipton Patches and Jags.

### 2. Using the Patches:

- Select a patch size appropriate for your caliber:
  - For 2735 Caliber firearms, use the provided 1.75" square patches.
- If using a slotted tip, choose the next size larger patch for best results.
- Insert the patch into the jag, ensuring it fits securely.

### 3. Cleaning Process:

- Apply the appropriate cleaning solvent to the patch if necessary.
- Insert the jag with the patch into the barrel of the firearm.
- Push the jag through the barrel from the breech to the muzzle.
- Repeat as necessary until the barrel is clean.

### 4. PostCleaning:

- Dispose of used patches in accordance with local regulations.
- Store unused patches in a cool, dry place away from direct sunlight.

## Disposal Instructions

- Dispose of used patches in accordance with local waste disposal regulations.
- Do not incinerate the patches as they are made of cotton flannel and may release harmful substances when burned.

## Contact Information for Further Support

For any questions or concerns regarding the use of Tipton Patches, please contact the manufacturer or refer to the product packaging for further instructions. Ensure to check for any recall updates on the EU's Safety Gate platform to stay informed about product safety.

By following these guidelines, you can ensure a safe and effective cleaning experience with your Tipton Patches 2735 Caliber. Thank you for your attention to safety.
