Tipton Patches 2735 Caliber Safety Instruction Guide

Introduction

Thank you for choosing Tipton Patches 2735 Caliber. These patches are designed for effective cleaning and maintenance of your firearm. This guide provides essential safety information to ensure safe and proper use of the product in compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Always read and understand the instructions before using the product.
- Ensure the product is used only for its intended purpose.
- Keep out of reach of children and vulnerable individuals.
- Inspect the product for any damage or wear before use. Do not use if damaged.
- Report any unsafe products or accidents to the relevant authorities.
- Check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Hazard Identification:**
 - Keep patches away from sources of ignition, as they are made from cotton flannel.
 - Ensure that the patches are not ingested or inhaled.
 - Be cautious of the cleaning solvents used in conjunction with the patches, as they may pose health risks.
- **Avoiding Hazards:**
 - Use the patches only with Tipton® Jags or compatible cleaning tools.
 - When using a slotted tip, select the next size larger patch for optimal performance.
 - Do not use patches that are frayed or contaminated with cleaning solutions.
- **AudienceSpecific Warnings:**
 - These patches are not intended for use by children. Adult supervision is required when used around minors.

Instructions for Installation and Usage

1. Preparation:

- Ensure your firearm is unloaded and pointed in a safe direction before starting the cleaning process.
- Gather necessary tools: Tipton® Jags, cleaning solvent, and a cleaning rod.

2. Using the Patches:

- Choose the appropriate size patch for your caliber:
 - For 2735 Caliber, use 1.75" square patches.
- Attach the patch to the Tipton® Jag securely.
- Apply a small amount of cleaning solvent to the patch if necessary.

3. Cleaning Process:

- Insert the jag with the attached patch into the bore of the firearm.
- Push the jag through the bore from the chamber to the muzzle.
- Repeat as necessary until the bore is clean.

4. PostCleaning:

- Dispose of used patches in accordance with local regulations.
- Clean any tools used during the process to prevent contamination.

Disposal Instructions

- Dispose of used patches in a waste container designated for textile waste.
- Do not dispose of patches in water bodies or public areas.
- Follow local regulations for the disposal of cleaning materials and solvents.

Contact Information for Further Support

For any inquiries regarding safety or usage of Tipton Patches, please contact the designated EUbased contact point for assistance.

Thank you for your attention to these safety instructions. By following these guidelines, you can ensure a safe and effective cleaning experience with Tipton Patches 2735 Caliber.
