# Tipton Patches 35 Caliber/20 Ga Safety Instruction Guide

## Introduction

Thank you for choosing Tipton Patches 35 Caliber/20 Ga. This guide provides essential safety instructions and usage guidelines to ensure your experience with our product is safe and effective. Please read this document carefully before use.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for any signs of wear or damage before use.
- Follow all instructions provided in this guide to minimize risks associated with the product.
- In case of any accidents or unsafe conditions, report them to the appropriate authorities.

## Specific Safety Precautions for Use

- Always use the patches with compatible Tipton® Jags to ensure proper fit and performance.
- When using slotted tips, select the next size larger patch for optimal performance.
- Avoid using the patches if they show any signs of fraying or damage.
- Do not expose the patches to extreme temperatures or moisture, as this may compromise their integrity.
- Store the patches in a cool, dry place away from direct sunlight.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure that you have the correct size of Tipton Patches for your specific caliber or gauge.
- Gather all necessary tools, including Tipton® Jags.

### 2. Installation:

- Take one patch from the bag, ensuring it is clean and undamaged.
- If using a slotted tip, select a patch that is one size larger than the jag for best results.
- Insert the patch into the slotted tip or attach it to the jag securely.

### 3. Usage:

- Use the patch to clean the bore of your firearm by running it through the barrel in accordance with the manufacturer's instructions.
- Ensure that the patch is properly aligned with the jag to avoid any tearing.
- After use, dispose of the patch properly.

## Disposal Instructions

- Dispose of used patches in accordance with local waste disposal regulations.
- Do not incinerate the patches, as this may release harmful substances.
- Ensure that patches are disposed of in a manner that prevents accidental ingestion by children or pets.

## **Contact Information for Further Support**

For any questions or concerns regarding the safety and usage of Tipton Patches, please reach out to your local retailer or the manufacturer directly. For safety inquiries, it is recommended to contact an EU-based representative.

By following these guidelines, you can ensure a safe and effective experience with Tipton Patches. Thank you for your attention to these important safety instructions.
