# Tipton Patches Safety Instruction Guide

## Introduction

Thank you for choosing Tipton Patches 35 Caliber/20 Ga, 2.25" Square Patches. This guide provides important safety instructions and guidelines to ensure safe and effective use of this product. Please read this manual carefully before using the patches.

## General Safety Guidelines

- Ensure safe handling of all products, including proper storage and use.
- Be aware of potential risks associated with the use of bore patches.
- Follow all safety instructions provided in this guide.
- Regularly check for product recalls and safety alerts on the EU Safety Gate platform.
- Report any unsafe products or incidents to the relevant authorities.

## Specific Safety Precautions for Use

- Always use patches that are the correct size for your specific bore.
- When using with slotted tips, select the next size larger for optimal performance.
- Keep patches out of reach of children and pets to prevent accidental ingestion.
- Avoid using patches that are damaged or worn.
- Do not use patches for any purpose other than their intended use.

## Instructions for Installation and Usage

### 1. Selecting the Right Patch Size:

- For 3550 Caliber firearms, use the 2.25" square patches.
- For 20 Gauge firearms, also use the 2.25" square patches.

### 2. Loading the Patch:

- Take a patch and insert it into the slotted tip of the cleaning jag.
- Ensure that the patch is securely held in place.

### 3. Cleaning Procedure:

- Moisten the patch with an appropriate cleaning solution.
- Insert the jag into the bore and gently push it through the barrel.
- Repeat as necessary until the bore is clean.

### 4. PostCleaning:

- After cleaning, remove the patch and dispose of it properly.
- Inspect the bore for any remaining debris.

## Disposal Instructions

- Dispose of used patches in accordance with local waste disposal regulations.
- Do not flush patches down the toilet or dispose of them in a manner that may cause environmental harm.

## **Contact Information for Further Support**

For any questions or concerns regarding the safety and use of Tipton Patches, please contact the manufacturer directly. Ensure you have your product information ready for assistance.

Thank you for prioritizing safety and following these guidelines while using Tipton Patches.
