Tipton Bore Mop Safety Instructions

Introduction

Thank you for choosing the Tipton Bore Mop, 3 pk Bore Mop 17 Caliber. This product is designed for effective cleaning of firearm bores and chambers. To ensure safe and effective use, please read and follow these safety instructions carefully.

General Safety Guidelines

- Ensure that the product is used only as intended.
- Keep out of reach of children and vulnerable individuals.
- Inspect the bore mop before each use for any signs of damage or wear.
- Do not use if the bore mop is damaged.
- Store the bore mops in a cool, dry place away from direct sunlight.
- Always follow local laws and regulations regarding firearm cleaning and maintenance.

Specific Safety Precautions for Use

- **Hazard Identification:**
 - The bore mop is designed for use with solvents and lubricants. Ensure proper ventilation when using these products.
 - Avoid contact with skin and eyes when handling solvents and lubricants.
- **Personal Protective Equipment (PPE):**
 - Wear safety goggles when applying solvents.
 - Use gloves to protect your hands from chemicals.
- **Application:**
 - Do not overload the bore mop with solvents. Excessive amounts may lead to spillage and increased risks.
 - Avoid using the bore mop near open flames or heat sources.

Instructions for Installation and Usage

- **Preparation:**
 - Ensure the firearm is unloaded and pointed in a safe direction before cleaning.
 - Gather all necessary materials, including the bore mop, solvents, and PPE.
- **Using the Bore Mop:**
 1. Attach the bore mop to a cleaning rod that fits the 17 caliber bore.
 2. Dip the bore mop into the solvent to saturate it. Do not soak.
 3. Insert the bore mop into the bore and chamber, moving it back and forth gently.
 4. Remove the bore mop and clean any excess solvent from the exterior of the firearm.
 5. Dispose of used bore mops and solvents according to local regulations.
- **PostUse Care:**
 - Clean the bore mop after each use with appropriate cleaning solutions.
 - Store the bore mop in a protective case or container to avoid contamination and damage.

Disposal Instructions

- Dispose of used bore mops and any solvents according to local environmental regulations.
- Do not dispose of in regular household waste. Check with local waste management for proper disposal methods.

Contact Information for Further Support

For any inquiries regarding safety or product performance, please reach out to your local retailer or manufacturer. Ensure you have your product details available for reference.

Thank you for ensuring your safety and the safety of others while using the Tipton Bore Mop.
