Tipton Bore Mop Safety Instructions

Introduction

Thank you for choosing the Tipton Bore Mop. This product is designed to help you maintain your firearms by effectively applying solvents, lubricants, and preservatives. To ensure safe and effective use, please read and follow these safety instructions carefully.

General Safety Guidelines

- Always use the product in a wellventilated area to avoid inhaling fumes from solvents and lubricants.
- Keep the product out of reach of children and pets.
- Use the bore mop only for its intended purpose; do not use it for any other applications.
- Store the bore mop in a cool, dry place away from direct sunlight and heat sources.
- Regularly check the bore mop for signs of wear or damage. Replace if necessary.

Specific Safety Precautions for Use

- Wear appropriate personal protective equipment (PPE) such as gloves and safety goggles when handling solvents and lubricants.
- Avoid contact with skin and eyes. In case of contact, rinse immediately with plenty of water and seek medical advice if irritation persists.
- Do not ingest any cleaning solvents or lubricants. If ingested, seek medical attention immediately.
- Follow the manufacturer's instructions for the solvents and lubricants used with the bore mop to ensure safe handling and application.
- Dispose of used solvents and cleaning materials according to local regulations.

Instructions for Installation and Usage

1. Preparation:

- Ensure that your firearm is unloaded and pointed in a safe direction.
- Gather all necessary materials, including the bore mop, solvents, and lubricants.

2. Using the Bore Mop:

- Attach the bore mop to a cleaning rod according to the manufacturer's instructions.
- Apply the appropriate solvent or lubricant to the bore mop.
- Insert the bore mop into the bore of the firearm.
- Move the bore mop back and forth to ensure even application of the product.
- Remove the bore mop and clean the firearm as per the manufacturer's guidelines.

3. PostUse Care:

- Clean the bore mop after use according to the manufacturer's instructions.
- Store the bore mop in its protective packaging or a designated storage area.

Disposal Instructions

- Dispose of the bore mop in accordance with local waste disposal regulations.
- Do not dispose of used solvents or lubricants in regular trash. Follow local guidelines for hazardous waste disposal.

Contact Information for Further Support

For any inquiries or concerns regarding the safety or usage of the Tipton Bore Mop, please refer to the contact information provided on the packaging or visit the manufacturer's website for additional resources.

By following these safety instructions, you can ensure a safe and effective experience when using the Tipton Bore Mop. Thank you for your attention to safety.
