# Tipton Bore Mop Safety Instruction Guide

## Introduction

Thank you for choosing the Tipton Bore Mop. This product is designed to help you effectively clean and maintain your firearm's bore and chamber. To ensure safe and effective use, please read and follow these safety instructions carefully.

## General Safety Guidelines

- Always handle firearms with care and follow all safety protocols.
- Ensure that the bore mop is used in a wellventilated area to avoid inhaling harmful fumes from solvents and lubricants.
- Keep the product out of reach of children and vulnerable individuals.
- Do not use the bore mop with flammable substances or near open flames.
- Regularly inspect the bore mop for wear and tear; discontinue use if damaged.

## Specific Safety Precautions for Use

- Use only approved solvents and lubricants with the bore mop.
- Avoid direct contact with skin when using solvents; wear gloves if necessary.
- Do not ingest any solvents or lubricants; keep them stored safely.
- Ensure the firearm is unloaded before using the bore mop.
- Follow the manufacturer's recommendations for cleaning frequency.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure that the firearm is completely unloaded.
- Gather your bore mop and any solvents or lubricants you plan to use.

### 2. Application:

- Moisten the bore mop with the selected solvent or lubricant.
- Insert the bore mop into the firearm's bore gently.
- Use a twisting motion to ensure thorough application throughout the bore and chamber.

### 3. Cleaning:

- After applying the solvent, let it sit for the recommended time as per the solvent's instructions.
- Remove the bore mop carefully, disposing of it according to disposal instructions below.

### 4. PostUse:

- Clean any excess solvent from the firearm with a dry cloth.
- Store the bore mop in a safe, dry location away from children and pets.

## Disposal Instructions

- Dispose of used bore mops and any contaminated materials in accordance with local regulations for hazardous waste.
- Do not throw used bore mops in regular trash if they have been in contact with solvents or lubricants.

## **Contact Information for Further Support**

For any safety inquiries or additional support, please refer to the contact information provided by the manufacturer or retailer where you purchased this product.

Thank you for your attention to these safety instructions. Your safety and the safe handling of your firearm are our top priorities.
