Tipton Shooters Swabs Safety Instruction Guide

Introduction

Thank you for choosing Tipton Shooters Swabs. These wirehandled swabs are designed for the application of lubes and preservatives, as well as for scrubbing out recesses in receivers, bolt bodies, and other hard-to-reach areas. This guide provides essential safety instructions to ensure the safe use of this product in compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Always use the product as intended. Misuse may lead to hazards.
- Keep the product out of reach of children and vulnerable individuals.
- Do not use the swabs with flammable or hazardous materials unless specified.
- Inspect the swabs for any damage before use. Do not use if damaged.
- Store in a cool, dry place away from direct sunlight and moisture.

Specific Safety Precautions for Use

- Ensure that the area of application is well-ventilated to avoid inhaling fumes from solvents or lubricants.
- Wear appropriate personal protective equipment (PPE), such as gloves and safety goggles, when using solvents or chemicals.
- Avoid contact with eyes and skin. In case of contact, rinse thoroughly with water and seek medical advice if irritation persists.
- Dispose of used swabs in accordance with local regulations for hazardous waste if they have been in contact with harmful substances.

Instructions for Installation and Usage

- Unpack the Tipton Shooters Swabs from the packaging.
- Ensure that the swabs are clean and free from any debris before use.
- For application of lubes and preservatives:
 - Dip the swab into the lubricant or preservative.
 - Gently apply the product to the desired area, ensuring even coverage.
- For scrubbing out recesses:
 - Insert the swab into the area to be cleaned.
 - Use a gentle scrubbing motion to remove dirt and residue.
- After use, dispose of the swab properly.

Disposal Instructions

- Dispose of used swabs in accordance with local waste management regulations.
- Do not dispose of swabs in regular household waste if they have been contaminated with hazardous materials.
- Check local guidelines for specific disposal methods for hazardous waste.

Contact Information for Further Support

For any safety inquiries or concerns regarding the Tipton Shooters Swabs, please refer to the product packaging for the EU-based contact information. Your safety is our priority.

Conclusion

By following these safety instructions, you can ensure the effective and safe use of Tipton Shooters Swabs. Always stay informed about safety updates and recalls by checking the EU's Safety Gate platform. Thank you for your attention to safety, and enjoy your product!
