# Tipton Shooters Swabs Safety Instruction Guide

## Introduction

Thank you for choosing Tipton Shooters Swabs. These wirehandled swabs are designed for the application of lubes and preservatives, as well as for scrubbing out recesses in receivers, bolt bodies, and other hardtoreach areas. This guide provides important safety instructions to ensure the safe and effective use of this product.

## General Safety Guidelines

- Always use the product as intended.
- Keep the product out of reach of children.
- Inspect the swabs for damage before use. Do not use if damaged.
- Store the product in a cool, dry place away from direct sunlight.
- Follow all local regulations regarding the disposal of cleaning products and materials.

## Specific Safety Precautions for Use

- Use in a wellventilated area to avoid inhalation of fumes from solvents or lubricants.
- Wear appropriate personal protective equipment (PPE), such as gloves and safety goggles, when using solvents.
- Avoid prolonged skin contact with lubricants and solvents.
- Do not use the swabs for any purpose other than intended applications.
- If irritation occurs or if you experience adverse effects, discontinue use immediately and seek medical attention.

## Instructions for Installation and Usage

### 1. Preparation

- Ensure that the area where you will be using the swabs is clean and free from any hazards.
- Gather all necessary materials, including swabs, lubricants, and solvents.

### 2. Using the Swabs

- Take a swab from the package.
- Dip the swab in the lubricant or solvent as needed.
- Gently scrub the desired area, ensuring that you reach recesses and hardtoreach spots.
- Dispose of the swab after use, following the disposal instructions below.

### 3. PostUse Care

- Clean the area where you used the swabs to prevent any residue buildup.
- Wash your hands thoroughly after handling lubricants or solvents.

## Disposal Instructions

- Dispose of used swabs in accordance with local regulations regarding hazardous materials.
- Do not dispose of swabs in regular household waste if they have been in contact with solvents or lubricants.
- Check with local waste management authorities for specific disposal guidelines.

## Contact Information for Further Support

For any safety inquiries or further assistance regarding Tipton Shooters Swabs, please refer to the manufacturer's contact information provided on the packaging or visit the official website.

**Note:** This guide is designed to ensure your safety and the effective use of Tipton Shooters Swabs. Please adhere to all instructions and guidelines to prevent accidents and ensure optimal performance.
