Tipton Stainless Steel Picks Safety Instruction Guide

Introduction

Thank you for choosing the Tipton Stainless Steel Picks. This set of four picks is designed to assist you in cleaning tight and hard-to-reach areas of your firearms. To ensure your safety and the effective use of this product, please read and follow the guidelines outlined in this document.

General Safety Guidelines

- Always inspect the picks before use for any signs of damage or wear.
- Use the picks only for their intended purpose.
- Keep the picks out of reach of children and vulnerable individuals.
- Ensure you are in a well-lit area when using the picks to avoid accidents.
- If you experience any discomfort or injury while using the picks, discontinue use immediately and seek medical advice.
- Report any unsafe products or incidents to the relevant authorities.

Specific Safety Precautions for Use

- **Avoid Sharp Edges:** The stainless steel picks have sharp edges. Handle with care to avoid cuts.
- **Proper Grip:** Always maintain a firm grip on the picks while in use to prevent slipping.
- **No Excessive Force:** Do not use excessive force when cleaning to avoid damaging your firearm or the picks.
- **Wear Protective Gear:** Consider wearing safety glasses to protect your eyes from debris when using the picks.
- **Store Safely:** After use, store the picks in a safe location to prevent accidental injury.

Instructions for Installation and Usage

1. Selecting the Right Pick:

- Choose the pick that best suits the area you need to clean. Each pick has a different configuration on each end.

2. Using the Picks:

- Insert the chosen pick gently into the area you wish to clean.
- Move the pick carefully to remove dirt or debris.
- Avoid applying too much pressure to prevent damage to your firearm or the pick itself.

3. Cleaning and Maintenance:

- After each use, clean the picks with a soft cloth to remove any residue.
- Store the picks in a dry place to prevent rust or corrosion, especially the stainless steel set.

Disposal Instructions

- Dispose of any damaged or worn picks in accordance with local waste disposal regulations.
- Do not throw picks in regular household waste if they are sharp. Instead, wrap them securely to prevent injury and dispose of them in a designated sharp waste container.

Contact Information for Further Support

For any inquiries or concerns regarding the product, please refer to the manufacturer's contact details provided on the packaging or the official website.

Thank you for your attention to these safety guidelines. Your safety is our priority, and we hope you enjoy using the Tipton Stainless Steel Picks.
