

# **Snap Caps - Snap Cap Pistol 32 ACP 5 Pack**

[Gunsmith Tools](#) > [General Gunsmith Tools](#) > [Cartridge Dummies](#)

It is generally accepted that one should not drop the firing pin on an empty chamber, which is the primary reason to have Snap Caps for your favorite guns. You should always use Snap Caps when checking or adjusting the trigger pull. If you prefer to release the tension on the hammer springs, when storing your guns, Snap Caps are ideal.

# Tipton Snap Caps Safety Instruction Guide

## Introduction

Thank you for choosing the Tipton Snap Caps Snap Cap Pistol 32 ACP 5 Pack. This product is designed to ensure safe handling and maintenance of your firearms. It is essential to follow the safety guidelines and instructions outlined in this guide to prevent accidents and ensure a safe experience.

## General Safety Guidelines

- Ensure that you are familiar with the operation of your firearm before using Snap Caps.
- Always treat every firearm as if it is loaded.
- Store Snap Caps in a safe place, out of reach of children and unauthorized users.
- Inspect Snap Caps for any damage before use. Do not use damaged Snap Caps.
- Report any unsafe products or accidents to the relevant authorities.
- Regularly check for recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Always use Snap Caps when checking or adjusting the trigger pull to avoid damaging the firing pin.
- Do not drop the firing pin on an empty chamber; always use Snap Caps to prevent potential damage.
- When storing your firearms, use Snap Caps to release tension on the hammer springs.
- Keep Snap Caps away from heat sources and direct sunlight to prevent degradation.
- Do not use Snap Caps as actual ammunition; they are designed solely for dry firing and training purposes.

## Instructions for Installation and Usage

### 1. Insert Snap Caps:

- Ensure your firearm is unloaded and the safety is engaged.
- Open the chamber and insert the Snap Cap into the magazine or directly into the chamber as per your firearm's design.
- Close the chamber securely.

### 2. Dry Firing Practice:

- With the Snap Cap in place, practice your trigger pull and aim as you would with live ammunition.
- Always ensure the firearm is pointed in a safe direction during practice.

### 3. Checking Trigger Pull:

- Use the Snap Caps to check and adjust the trigger pull. This is a safe method to ensure proper function without risking damage to your firearm.

### 4. Storage:

- After use, remove the Snap Caps from your firearm.
- Store Snap Caps in a cool, dry place, away from children and pets.
- Consider using a dedicated storage container for your Snap Caps to keep them organized and safe.

## Disposal Instructions

- Dispose of any damaged or worn Snap Caps responsibly. Check with local regulations for proper disposal methods.

- Do not throw Snap Caps into regular household waste. Instead, consider recycling options if available.

## **Contact Information for Further Support**

For any questions or concerns regarding the Tipton Snap Caps, please reach out to your local distributor or retailer. They can provide assistance and further information regarding product safety and usage.

Thank you for prioritizing safety with the Tipton Snap Caps. Enjoy your practice and ensure responsible firearm handling at all times.
