

# Snap Caps - Snap Cap Pistol 380 ACP 5 Pack

[Gunsmith Tools](#) > [General Gunsmith Tools](#) > [Cartridge Dummies](#)

It is generally accepted that one should not drop the firing pin on an empty chamber, which is the primary reason to have Snap Caps for your favorite guns. You should always use Snap Caps when checking or adjusting the trigger pull. If you prefer to release the tension on the hammer springs, when storing your guns, Snap Caps are ideal.

# Tipton Snap Caps Safety Instruction Guide

## Introduction

Thank you for choosing the Tipton Snap Caps Snap Cap Pistol 380 ACP 5 Pack. This product is designed to enhance your shooting experience by providing a safe way to practice dry firing and trigger adjustments. It is important to follow the safety instructions outlined in this guide to ensure safe and effective use.

## General Safety Guidelines

- Always treat all firearms as if they are loaded.
- Use Snap Caps only in firearms that are specifically designed for the .380 ACP cartridge.
- Never use Snap Caps in firearms that are not intended for this caliber.
- Keep Snap Caps out of reach of children and unauthorized users.
- Regularly inspect Snap Caps for any signs of wear or damage before use.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay informed about recall updates through the EU Safety Gate platform.

## Specific Safety Precautions for Use

- Only use Snap Caps in a safe and controlled environment, such as a designated shooting range or training area.
- Do not drop or throw Snap Caps; they are intended for safe handling only.
- When checking or adjusting trigger pull, ensure that the firearm is pointed in a safe direction.
- If storing firearms, consider using Snap Caps to relieve tension on hammer springs.
- Avoid using Snap Caps in combination with live ammunition.

## Instructions for Installation and Usage

### 1. Loading Snap Caps:

- Open the firearm's action and ensure it is empty.
- Insert the Snap Caps into the magazine or directly into the chamber as per your firearm's design.
- Close the action of the firearm securely.

### 2. Dry Firing Practice:

- Point the firearm in a safe direction.
- Pull the trigger as you would with live ammunition.
- Observe the Snap Cap for any signs of impact or damage after use.

### 3. Checking Trigger Pull:

- Use Snap Caps to safely practice trigger pull adjustments.
- Ensure the firearm is pointed in a safe direction during this process.

### 4. Storage:

- When not in use, store firearms with Snap Caps to prevent damage to the firing pin and relieve tension on the hammer springs.
- Keep Snap Caps stored in a secure location, away from children and unauthorized users.

## **Disposal Instructions**

- Dispose of damaged or worn Snap Caps in accordance with local regulations.
- Do not throw Snap Caps in regular household waste; check for local recycling or hazardous waste disposal options.

## **Contact Information for Further Support**

For any safety inquiries or additional support regarding the Tipton Snap Caps, please refer to the EUbased contact point listed on the packaging or product documentation.

By following these safety instructions, you can ensure a safe and enjoyable experience with your Tipton Snap Caps. Thank you for prioritizing safety in your shooting practice.
