

Snap Caps - Snap Cap Rifle 22 Rimfire 10 Pack

[Gunsmith Tools](#) > [General Gunsmith Tools](#) > [Cartridge Dummies](#)

It is generally accepted that one should not drop the firing pin on an empty chamber, which is the primary reason to have Snap Caps for your favorite guns. You should always use Snap Caps when checking or adjusting the trigger pull. If you prefer to release the tension on the hammer springs, when storing your guns, Snap Caps are ideal.

Safety Instruction Guide for Tipton Snap Caps Snap Cap Rifle 22 Rimfire 10 Pack

Introduction

Thank you for choosing the Tipton Snap Caps Snap Cap Rifle 22 Rimfire 10 Pack. This product is designed to enhance your shooting experience by providing a safe way to practice with your firearm. This guide will provide important safety instructions and guidelines to ensure safe and effective use of the Snap Caps.

General Safety Guidelines

- Always treat every firearm as if it is loaded.
- Ensure that you are in a safe environment when handling firearms and Snap Caps.
- Keep Snap Caps out of reach of children and unauthorized individuals.
- Report any unsafe products or accidents to the appropriate authorities.
- Regularly check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Do not drop the firing pin on an empty chamber. Use Snap Caps to prevent damage to the firing pin and other internal components.
- Always use Snap Caps when checking or adjusting the trigger pull.
- If you prefer to release the tension on the hammer springs when storing your firearm, always use Snap Caps.
- Inspect Snap Caps regularly for wear and damage. Do not use damaged Snap Caps.
- Ensure that Snap Caps are compatible with your firearm's caliber (22 Long Rifle).

Instructions for Installation and Usage

1. Inserting Snap Caps:

- Open the action of your firearm.
- Insert the Snap Cap into the chamber as you would with a regular cartridge.
- Close the action securely.

2. Using Snap Caps for Trigger Pull Adjustment:

- With the Snap Cap in place, pull the trigger to check the feel and resistance.
- Make necessary adjustments to the trigger mechanism as per your firearm's manual.

3. Storing Firearms with Snap Caps:

- When storing your firearm, ensure the Snap Caps are inserted to relieve tension on the hammer springs.
- Store your firearm in a safe and secure location.

4. Removing Snap Caps:

- Open the action of your firearm.
- Remove the Snap Cap from the chamber.
- Store Snap Caps in a safe location when not in use.

Disposal Instructions

- Dispose of damaged or worn Snap Caps in accordance with local regulations.
- Do not throw Snap Caps in regular household waste. Instead, check for recycling programs or hazardous waste disposal options in your area.

Contact Information for Further Support

For any safety inquiries or concerns regarding the Tipton Snap Caps, please consult the manufacturer or your local retailer. Always ensure that you are following the most current safety guidelines and regulations.

By following these safety instructions, you can enjoy the benefits of using Tipton Snap Caps while ensuring a safe shooting experience. Thank you for your attention to safety and responsible firearm handling.
