

Snap Caps - Snap Cap Rifle 243 Win 2 Pack

[Gunsmith Tools](#) > [General Gunsmith Tools](#) > [Cartridge Dummies](#)

It is generally accepted that one should not drop the firing pin on an empty chamber, which is the primary reason to have Snap Caps for your favorite guns. You should always use Snap Caps when checking or adjusting the trigger pull. If you prefer to release the tension on the hammer springs, when storing your guns, Snap Caps are ideal.

Safety Instruction Guide for Tipton Snap Caps Snap Cap Rifle 243 Win 2 Pack

Introduction

Thank you for choosing the Tipton Snap Caps Snap Cap Rifle 243 Win 2 Pack. These snap caps are designed to enhance the safety and functionality of your firearms. This guide provides important safety instructions and guidelines to ensure safe use and maintenance of your snap caps.

General Safety Guidelines

- Always treat every firearm as if it is loaded.
- Use snap caps to prevent accidental discharge when testing or adjusting trigger pulls.
- Never drop the firing pin on an empty chamber to avoid damage to your firearm.
- Store your firearms with snap caps installed to relieve tension on hammer springs.
- Keep snap caps out of reach of children and vulnerable individuals.
- Regularly inspect snap caps for wear and damage before use.

Specific Safety Precautions for Use

- Ensure that your firearm is pointed in a safe direction when using snap caps.
- Only use snap caps that are specifically designed for your firearm's caliber (in this case, .243 Winchester).
- Do not use snap caps for live ammunition or in any manner that could result in a discharge.
- Avoid using snap caps in firearms that are not designed for their use.
- If a snap cap becomes damaged, discontinue use immediately and replace it.

Instructions for Installation and Usage

1. Installation:

- Open the action of your firearm.
- Remove any live ammunition from the chamber and magazine.
- Insert a snap cap into the chamber.
- Close the action of the firearm carefully.

2. Usage:

- Use snap caps during dry firing practice to simulate live fire without the risk of accidental discharge.
- Use snap caps to check and adjust the trigger pull without damaging the firing pin.
- If you prefer to store your firearm with the hammer released, leave the snap cap in the chamber.

3. PostUse:

- After using snap caps, remove them from the chamber.
- Inspect snap caps for any signs of wear or damage.
- Store snap caps in a safe, dry location away from children.

Disposal Instructions

- Dispose of damaged or worn snap caps in accordance with local regulations.
- Do not throw snap caps in regular household waste if they are damaged; check with local authorities for

proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the safety and use of your Tipton Snap Caps, please reach out to the designated EU contact point for safety inquiries. Regularly check for recall updates on the EU's Safety Gate platform to stay informed about product safety.

Thank you for taking the time to read this safety instruction guide. Your safety and the safe use of your firearms are our top priorities.
