

Snap Caps - Tipton Snap Cap Rifle 270 Win 2 Pack

[Gunsmith Tools](#) > [General Gunsmith Tools](#) > [Cartridge Dummies](#)

It is generally accepted that one should not drop the firing pin on an empty chamber, which is the primary reason to have Snap Caps for your favorite guns. You should always use Snap Caps when checking or adjusting the trigger pull. If you prefer to release the tension on the hammer springs, when storing your guns, Snap Caps are ideal.

Tipton Snap Caps Safety Instruction Guide

Introduction

Thank you for choosing Tipton Snap Caps, specifically designed for use with your 270 Winchester rifles. This guide provides essential safety instructions and guidelines to ensure the safe handling and usage of your Snap Caps. Please read this document carefully before using the product.

General Safety Guidelines

- Always treat all firearms as if they are loaded.
- Ensure the firearm is pointed in a safe direction at all times.
- Never drop the firing pin on an empty chamber to avoid damage to the firing pin and other components.
- Use Snap Caps when checking or adjusting the trigger pull to prevent accidental discharge.
- Store your firearms with Snap Caps to relieve tension on the hammer springs.

Specific Safety Precautions for Use

- **Age Restrictions:** Keep Snap Caps out of reach of children and unauthorized users.
- **Inspection:** Before each use, inspect Snap Caps for any signs of damage or wear. Do not use if damaged.
- **Usage Environment:** Use Snap Caps only in a controlled environment where safe handling practices can be maintained.
- **Training:** Ensure all users are familiar with safe firearm handling practices before using Snap Caps.

Instructions for Installation and Usage

1. Installation:

- Open the action of your rifle.
- Insert the Snap Cap into the chamber as you would with a regular cartridge.
- Close the action of the rifle securely.

2. Usage:

- When practicing dry firing or adjusting trigger pull, ensure the Snap Cap is in place.
- After use, remove the Snap Cap from the chamber and store it in a safe location.

3. Storage:

- Store Snap Caps in a dry, cool place away from direct sunlight.
- Consider using a dedicated container for Snap Caps to avoid misplacement.

Disposal Instructions

- Dispose of damaged or worn Snap Caps in accordance with local regulations.
- Do not throw Snap Caps in regular household waste. Instead, check for recycling options or hazardous waste disposal facilities.

Contact Information for Further Support

For any questions or concerns regarding the use of Tipton Snap Caps, please refer to the manufacturer's contact information provided on the packaging or visit the official website for additional support.

Conclusion

By following these guidelines, you can ensure a safe and effective experience with your Tipton Snap Caps. Always prioritize safety and consult this guide whenever you have questions about the proper use of your product. Thank you for your commitment to safe firearm practices.
