

## Snap Caps - Tipton Snap Cap Rifle 308 Win 2 Pack

[Gunsmith Tools](#) > [General Gunsmith Tools](#) > [Cartridge Dummies](#)

It is generally accepted that one should not drop the firing pin on an empty chamber, which is the primary reason to have Snap Caps for your favorite guns. You should always use Snap Caps when checking or adjusting the trigger pull. If you prefer to release the tension on the hammer springs, when storing your guns, Snap Caps are ideal.

# Tipton Snap Caps Safety Instruction Guide

## Introduction

Thank you for choosing Tipton Snap Caps for your firearm maintenance needs. This guide provides important safety instructions and guidelines to ensure the safe and effective use of your Tipton Snap Cap Rifle 308 Win 2 Pack. Please read this document carefully to understand the proper usage and safety precautions.

## General Safety Guidelines

- Always treat your firearm as if it is loaded, even when using Snap Caps.
- Ensure that your firearm is pointed in a safe direction at all times.
- Keep Snap Caps out of reach of children and unauthorized users.
- Regularly inspect Snap Caps for wear or damage before use.
- Follow all local laws and regulations regarding the use of Snap Caps and firearms.

## Specific Safety Precautions for Use

- **Do Not Drop the Firing Pin:** Avoid dropping the firing pin on an empty chamber. This can cause damage to your firearm.
- **Use for Trigger Pull Adjustments:** Always use Snap Caps when checking or adjusting the trigger pull to prevent accidental discharge.
- **Release Hammer Spring Tension:** When storing your firearm, use Snap Caps to release tension on the hammer springs, which can prolong the life of your firearm.
- **Avoid Misuse:** Do not use Snap Caps for any purpose other than intended; they are designed solely for training and maintenance.

## Instructions for Installation and Usage

### 1. Inserting Snap Caps:

- Open the action of your firearm.
- Insert the Snap Cap into the chamber as you would with a live round.
- Close the action securely.

### 2. Testing Trigger Pull:

- With the Snap Cap in place, pull the trigger to test the pull weight and feel.
- Repeat as necessary to achieve desired adjustments.

### 3. Storing Your Firearm:

- When storing your firearm, remove all live ammunition.
- Insert Snap Caps into the chamber to relieve tension on the hammer springs.
- Store your firearm in a safe and secure location.

### 4. Regular Maintenance:

- Inspect Snap Caps regularly for signs of wear or damage.
- Replace any worn or damaged Snap Caps immediately to ensure safe operation.

## Disposal Instructions

- Dispose of damaged or worn Snap Caps in a responsible manner.

- Do not throw Snap Caps in regular household waste. Instead, check with local regulations for proper disposal methods.
- Ensure that Snap Caps are disposed of in a way that prevents access by children or unauthorized individuals.

## **Contact Information for Further Support**

For any questions or concerns regarding the use of Tipton Snap Caps, please refer to the contact information provided on the packaging or visit the manufacturer's website for additional resources.

By following these guidelines, you can ensure a safe and effective experience with your Tipton Snap Caps. Thank you for prioritizing safety and proper firearm maintenance.
