

Snap Caps - Snap Cap Shotgun 12 Gauge 2 Pack

[Gunsmith Tools](#) > [General Gunsmith Tools](#) > [Cartridge Dummies](#)

It is generally accepted that one should not drop the firing pin on an empty chamber, which is the primary reason to have Snap Caps for your favorite guns. You should always use Snap Caps when checking or adjusting the trigger pull. If you prefer to release the tension on the hammer springs, when storing your guns, Snap Caps are ideal.

Tipton Snap Caps Safety Instruction Guide

Introduction

Thank you for choosing the Tipton Snap Caps Snap Cap Shotgun 12 Gauge 2 Pack. These Snap Caps are designed to enhance your shooting experience by preventing damage to your firearm's firing pin when dry firing. This guide provides important safety instructions and guidelines to ensure safe use and handling of your Snap Caps.

General Safety Guidelines

- Always treat every firearm as if it is loaded.
- Use Snap Caps to prevent damage to your firearm when dry firing.
- Do not drop the firing pin on an empty chamber to avoid potential damage.
- Always keep Snap Caps out of reach of children and vulnerable individuals.
- Regularly check for wear and tear on your Snap Caps to ensure they are functioning properly.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay informed about recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Avoid Dropping the Firing Pin:** Always use Snap Caps to cushion the impact of the firing pin.
- **Check Trigger Pull:** Use Snap Caps when checking or adjusting the trigger pull to prevent damage.
- **Release Hammer Tension:** If you prefer to release the tension on the hammer springs while storing your firearm, Snap Caps are ideal for this purpose.
- **Store Safely:** Ensure Snap Caps are stored in a safe place, away from children and unauthorized users.
- **Inspect Before Use:** Always inspect your Snap Caps for any damage before use.

Instructions for Installation and Usage

1. Inserting Snap Caps:

- Ensure your firearm is unloaded.
- Open the action of your shotgun.
- Insert the Snap Cap into the chamber as you would a regular cartridge.
- Close the action of your shotgun securely.

2. Dry Firing:

- With the Snap Cap in place, you can safely dry fire your shotgun.
- Repeat as necessary for training or practice.

3. Adjusting Trigger Pull:

- Use Snap Caps to check and adjust the trigger pull without risking damage to your firearm.
- Follow your firearm's manual for specific trigger adjustment procedures.

4. Releasing Hammer Tension:

- When storing your shotgun, use Snap Caps to release the tension on the hammer springs.
- This practice can prolong the life of your firearm.

5. Removing Snap Caps:

- Open the action of your shotgun.

- Remove the Snap Cap from the chamber.
- Store the Snap Cap in a safe location.

Disposal Instructions

- Dispose of damaged or worn Snap Caps responsibly.
- Do not dispose of Snap Caps in regular household waste.
- Check local regulations for proper disposal methods of firearm accessories.

Contact Information for Further Support

For any questions or concerns regarding the use of Tipton Snap Caps, please refer to the manufacturer's website or customer support resources. Ensure you have your product information ready for assistance.

By following these instructions and safety guidelines, you can enjoy the benefits of your Tipton Snap Caps while ensuring safe handling and usage. Thank you for prioritizing safety in your shooting practices.
