

# **Snap Caps - Tipton Snap Cap Shotgun 16 Gauge 2 Pack**

[Gunsmith Tools](#) > [General Gunsmith Tools](#) > [Cartridge Dummies](#)

It is generally accepted that one should not drop the firing pin on an empty chamber, which is the primary reason to have Snap Caps for your favorite guns. You should always use Snap Caps when checking or adjusting the trigger pull. If you prefer to release the tension on the hammer springs, when storing your guns, Snap Caps are ideal.

# Tipton Snap Caps Safety Instruction Guide

## Introduction

Thank you for choosing Tipton Snap Caps for your firearm safety needs. These snap caps are designed specifically for use in 16 Gauge shotguns to help prevent damage to the firing pin when practicing dry firing or adjusting trigger pulls. This guide provides essential safety instructions to ensure safe and effective use of the product in compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Always treat every firearm as if it is loaded.
- Ensure that the firearm is pointed in a safe direction when handling.
- Use Snap Caps only in firearms that are designed for their specific caliber.
- Keep Snap Caps out of reach of children and unauthorized users.
- Regularly inspect Snap Caps for signs of wear or damage before each use.
- Report any unsafe product incidences to the appropriate authorities.

## Specific Safety Precautions for Use

- **Do Not Drop the Firing Pin:** Avoid dropping the firing pin on an empty chamber. Always use Snap Caps to prevent damage.
- **Trigger Pull Adjustments:** Use Snap Caps when checking or adjusting the trigger pull to prevent accidental discharge.
- **Hammer Spring Tension:** If you prefer to release tension on hammer springs while storing your firearm, utilize Snap Caps to do so safely.
- **Storage:** Store Snap Caps in a safe and dry location, away from children and pets.
- **Inspection Before Use:** Inspect Snap Caps for cracks or deformities. Do not use damaged Snap Caps.

## Instructions for Installation and Usage

### 1. Loading Snap Caps:

- Open the action of your shotgun.
- Insert the Snap Caps into the chamber as you would with live ammunition.
- Ensure they are seated properly and securely.

### 2. Dry Firing:

- With Snap Caps loaded, practice dry firing by pulling the trigger.
- Ensure that the firearm is pointed in a safe direction during this process.

### 3. Trigger Pull Adjustment:

- Follow the manufacturer's instructions for your specific firearm model to adjust the trigger pull while using Snap Caps.

### 4. Storage:

- After use, remove Snap Caps from the chamber.
- Store Snap Caps in a designated container away from firearms and ammunition.

## **Disposal Instructions**

- Dispose of damaged or worn Snap Caps in accordance with local regulations.
- Do not dispose of Snap Caps in regular household waste. Instead, check for recycling or hazardous waste disposal options in your area.

## **Contact Information for Further Support**

For any questions or concerns regarding the use of Tipton Snap Caps, please refer to the contact information provided on the packaging or your retailer's website.

By following these safety instructions, you can ensure a safe and effective experience with your Tipton Snap Caps. Thank you for prioritizing safety in your firearm practices.
