

Snap Caps - Tipton Snap Cap Shotgun 410 Bore 2 Pack

[Gunsmith Tools](#) > [General Gunsmith Tools](#) > [Cartridge Dummies](#)

It is generally accepted that one should not drop the firing pin on an empty chamber, which is the primary reason to have Snap Caps for your favorite guns. You should always use Snap Caps when checking or adjusting the trigger pull. If you prefer to release the tension on the hammer springs, when storing your guns, Snap Caps are ideal.

Tipton Snap Caps Safety Instruction Guide

Introduction

Thank you for choosing Tipton Snap Caps for your shotgun. These devices are designed to protect your firearm and enhance your shooting experience. This safety instruction guide provides essential information on the safe use of Tipton Snap Caps, ensuring compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Always treat firearms and ammunition with respect and caution.
- Use Snap Caps only for their intended purpose: to safely check and adjust trigger pulls, and to relieve tension on hammer springs during storage.
- Ensure that Snap Caps are compatible with your firearm model before use.
- Keep Snap Caps out of reach of children and unauthorized users.
- Regularly inspect Snap Caps for signs of wear or damage before each use.

Specific Safety Precautions for Use

- Do not drop the firing pin on an empty chamber without using Snap Caps.
- Always ensure that your firearm is pointed in a safe direction when using Snap Caps.
- Use Snap Caps in a controlled environment to avoid accidental discharge.
- If you experience any issues with your firearm while using Snap Caps, cease use immediately and consult a qualified gunsmith.

Instructions for Installation and Usage

1. Loading the Snap Caps:

- Open the action of your shotgun.
- Insert the Tipton Snap Caps into the chamber as you would with regular ammunition.
- Ensure that they are seated properly.

2. Using the Snap Caps:

- With the Snap Caps loaded, practice dry firing your shotgun to check trigger pull and practice shooting techniques.
- Release the tension on hammer springs by cycling the action with Snap Caps in place before storing your firearm.

3. Removing the Snap Caps:

- After use, open the action of your shotgun.
- Remove the Snap Caps and store them in a safe location.

Disposal Instructions

- Dispose of damaged or worn Snap Caps in accordance with local regulations.
- Do not throw Snap Caps in regular household waste. Check for local recycling programs or hazardous waste disposal guidelines.

Contact Information for Further Support

For any safety inquiries or additional information regarding Tipton Snap Caps, please refer to the product packaging or visit the official Tipton website for support resources.

Conclusion

By following these safety instructions, you can ensure a safe and enjoyable experience with your Tipton Snap Caps. Always prioritize safety and stay informed about best practices for firearm use. Thank you for your commitment to responsible firearm handling.
