# Tipton Cleaning Pellet Jag Safety Instruction Guide

## Introduction

Thank you for choosing the Tipton Cleaning Pellet Jag for your cleaning needs. This guide is designed to provide you with important safety information and instructions to ensure the safe and effective use of your product. Please read this document carefully before using the cleaning pellet jag.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose, which is to clean firearms with Tipton Felt Cleaning Pellets.
- Always handle firearms and cleaning tools with care and follow all safety protocols related to firearm maintenance.
- Keep the cleaning pellet jag out of reach of children and pets to prevent accidents.
- Regularly inspect the cleaning pellet jag for any signs of damage or wear. Do not use a damaged product.
- Store the cleaning pellet jag in a cool, dry place away from direct sunlight and moisture.

## Specific Safety Precautions for Use

- Always wear safety glasses when cleaning firearms to protect your eyes from possible debris.
- Use the cleaning pellet jag in a wellventilated area to avoid inhaling any cleaning chemicals or debris.
- Do not insert the cleaning pellet jag into a firearm unless you are certain it is unloaded and safe to do so.
- Follow the manufacturer's instructions for using cleaning pellets in conjunction with the cleaning jag.
- Avoid using excessive force when cleaning to prevent damage to the firearm or the cleaning jag.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Gather all necessary cleaning supplies, including Tipton Felt Cleaning Pellets and cleaning solvents.

### 2. Using the Cleaning Pellet Jag:

- Attach the cleaning pellet jag to the cleaning rod securely.
- Insert the cleaning pellet into the jag. Ensure it fits snugly.
- Insert the jag into the firearm's barrel gently, taking care not to force it.
- Pull the cleaning rod back and forth slowly to clean the barrel. Avoid using excessive force.
- After cleaning, remove the jag and cleaning pellet from the barrel.

### 3. PostCleaning:

- Inspect the barrel for any remaining debris.
- Clean the cleaning pellet jag after use with a suitable cleaning solvent.
- Store the cleaning pellet jag properly for future use.

## Disposal Instructions

- Dispose of any used cleaning pellets and solvents according to local regulations.
- Do not dispose of the cleaning pellet jag in regular household waste if it is damaged. Check with local waste management for proper disposal methods.

## **Contact Information for Further Support**

For any safety inquiries or additional support regarding the Tipton Cleaning Pellet Jag, please refer to the official Tipton website or contact your local retailer.

Thank you for following these safety instructions. Your safety and the proper use of your cleaning tools are our top priorities.
