Safety Instruction Guide for Wheeler Delta Series AR Mag Well Vise Block

Introduction

Thank you for choosing the Wheeler Delta Series AR Mag Well Vise Block. This product is designed to provide a stable and secure base for cleaning and light gunsmithing of your AR 308 firearm. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

General Safety Guidelines

- Always ensure that the firearm is unloaded before using the vise block.
- Use the vise block only with compatible firearms as specified in the product description.
- Keep the product out of reach of children and unauthorized users.
- Inspect the vise block for any damage or wear before each use.
- Do not use the vise block for any purpose other than its intended use.
- Follow all local laws and regulations regarding firearm maintenance and safety.

Specific Safety Precautions for Use

- Ensure that the workspace is clean and free of obstructions before using the vise block.
- Always secure the firearm in the vise block before performing any maintenance or cleaning.
- Avoid placing excessive force on the firearm while it is secured in the vise block.
- Use appropriate personal protective equipment (PPE) such as safety glasses and gloves while handling firearms and cleaning agents.
- Be aware of your surroundings and ensure that no one is in the vicinity while you are working on the firearm.

Instructions for Installation and Usage

1. Preparation

- Verify that the firearm is completely unloaded.
- Gather all necessary tools and cleaning supplies before starting.

2. Installation of the Vise Block

- Slide the vise block into the magazine well of the AR 308 firearm.
- Ensure that the block is securely positioned and fits snugly within the magazine well.

3. Using the Vise Block

- Once the vise block is installed, secure the firearm in a stable position.
- Perform cleaning or light gunsmithing tasks as needed.
- Regularly check the stability of the firearm while in the vise block during use.

4. PostUse Care

- After completing your work, carefully remove the vise block from the magazine well.
- Clean the vise block as per the manufacturer's recommendations.
- Store the vise block in a safe and dry location when not in use.

Disposal Instructions

- Dispose of the vise block in accordance with local regulations.
- If the product is damaged or no longer usable, consider recycling materials where possible.
- Do not dispose of the product in regular household waste.

Contact Information for Further Support

For any questions or concerns regarding the use and safety of the Wheeler Delta Series AR Mag Well Vise Block, please refer to the manufacturer's contact information provided with the product. Always ensure that you have access to support and resources for safe firearm maintenance.

Thank you for your attention to these safety guidelines. Your safety and the safety of others depend on responsible handling and maintenance of firearms.
