

Delta Series AR-15 Adjustable Receiver Link

[Gun Cleaning & Chemicals](#) > [Cleaning Rods & Accessories](#) > [Cleaning Tools](#)

The Adjustable Receiver Link is designed to maintain and secure the opened position of your AR-15 upper and lower assembly. The upper link utilizes an integral pin to engage the upper receiver. The short lower link provides an opened position of 1.2"-1.5" from pin to pin, enough room to insert a bore guide. The longer threaded link will provide an opening of 1.4"-1.8" from pin to pin. All three components are constructed of corrosion resistant plated steel. The kit comes with one upper link and two threaded lower links (one short, one long) to provide a total adjustment of approximately $\frac{3}{4}$ ".

Safety Instruction Guide for Wheeler Delta Series AR15 Adjustable Receiver Link

Introduction

Thank you for choosing the Wheeler Delta Series AR15 Adjustable Receiver Link. This product is designed to maintain and secure the opened position of your AR15 upper and lower assembly. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose as described in this guide.
- Always inspect the Adjustable Receiver Link before each use for any signs of wear or damage.
- Keep the product out of reach of children and vulnerable individuals.
- Follow all local laws and regulations regarding the use of AR15 components and accessories.
- Report any unsafe products or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- Use the Adjustable Receiver Link only with AR15 models.
- Ensure that the upper and lower assemblies are properly aligned before using the Adjustable Receiver Link.
- Do not exceed the recommended opening dimensions of 1.2"1.5" for the short lower link and 1.4"1.8" for the longer threaded link.
- Avoid using excessive force when adjusting the links.
- Always wear appropriate safety gear, such as safety glasses, when working with firearm components.

Instructions for Installation and Usage

1. Preparation

- Ensure that your AR15 is unloaded and in a safe condition before starting.
- Gather all necessary tools and components, including the Adjustable Receiver Link kit.

2. Installation

- Identify the upper and lower receivers of your AR15.
- Insert the integral pin of the upper link into the upper receiver, ensuring a secure fit.
- Select the appropriate lower link (short or long) based on your adjustment needs.
- Attach the selected lower link to the lower receiver by aligning the pins and securing them in place.

3. Adjustment

- Adjust the lower link to achieve the desired opened position.
- Ensure that the links are securely locked in place before proceeding.

4. Usage

- Use the Adjustable Receiver Link to maintain the opened position of the upper and lower assemblies during cleaning or maintenance.
- When finished, carefully remove the links by reversing the installation steps.

Disposal Instructions

- Dispose of the Adjustable Receiver Link in accordance with local regulations for metal recycling.
- Do not dispose of the product in household waste.

Contact Information for Further Support

For any questions or concerns regarding the use of the Wheeler Delta Series AR15 Adjustable Receiver Link, please refer to the manufacturer's contact information provided with the product packaging.

By following these guidelines, you can ensure the safe and effective use of the Wheeler Delta Series AR15 Adjustable Receiver Link. Thank you for your attention to these important safety instructions.
