Wheeler Delta Series AR Forend Wrench Safety Instructions

Introduction

Thank you for choosing the Wheeler Delta Series AR Forend Wrench. This tool is designed to aid in the installation and adjustment of AR15 freefloating handguards. To ensure your safety and the effective use of this product, please read and follow the safety instructions outlined in this guide.

General Safety Guidelines

- Always use the tool as intended and according to the manufacturer's instructions.
- Inspect the tool before each use for any signs of wear or damage.
- Keep the tool out of reach of children and vulnerable individuals.
- Do not use the tool if it is damaged or if any components are missing.
- Ensure that your work area is clean and free of clutter to prevent accidents.
- Wear appropriate personal protective equipment (PPE) such as safety glasses and gloves when using the tool.

Specific Safety Precautions for Use

- Ensure that the handguard is securely mounted before using the wrench.
- Avoid applying excessive force when tightening or loosening the strap to prevent damage to the handguard.
- Do not use the wrench on handguards that are not compatible with the tool.
- Be cautious of your fingers and hands while adjusting the strap to avoid pinching.
- Use the tool in a welllit area to ensure visibility and accuracy during use.

Instructions for Installation and Usage

1. Preparation

- Ensure that the AR15 is unloaded and the safety is engaged.
- Gather all necessary tools and accessories before starting.

2. Adjusting the Strap

- Locate the nylon reinforced rubber strap on the wrench.
- Adjust the strap to fit around the handguard securely.
- Ensure that the strap is tight enough to hold the handguard in place without marring the surface.

3. Using the Wrench

- Grip the ergonomic handle of the wrench firmly.
- To tighten the handguard, turn the wrench in a clockwise direction.
- To loosen the handguard, turn the wrench in a counterclockwise direction.
- Monitor the handguard closely to ensure it is not being damaged during adjustment.

4. PostUse Care

- After use, clean the tool with a damp cloth to remove any debris.
- Store the wrench in a dry place away from direct sunlight and moisture.

Disposal Instructions

- Dispose of the tool in accordance with local regulations.
- Do not dispose of the tool in household waste. Check with local waste management for proper disposal methods.
