Safety Instruction Guide for Wheeler 55 Piece SAE/Metric Hex & Torx Screwdriver Set

Introduction

Thank you for choosing the Wheeler 55 Piece SAE/Metric Hex & Torx Screwdriver Set. This guide provides important safety instructions and guidelines to ensure the safe and effective use of your screwdriver set. Please read this document carefully before using the product.

General Safety Guidelines

- Always use the screwdriver set for its intended purpose.
- Keep the screwdriver set out of reach of children and vulnerable individuals.
- Inspect the tools before use for any signs of damage or wear.
- Do not use damaged tools; replace them immediately.
- Store the screwdriver set in a dry place to prevent rust and corrosion.
- Use appropriate personal protective equipment (PPE) such as safety glasses and gloves if necessary.
- Avoid distractions while using the screwdriver set to maintain focus and safety.

Specific Safety Precautions for Use

- Ensure that the bit is securely attached to the driver handle before use.
- Do not apply excessive force when using the screwdrivers; this can lead to tool damage or injury.
- Use the correct size and type of bit for the screws you are working with to prevent stripping or damaging the screws.
- Avoid using the screwdriver set in wet or damp conditions to prevent slipping and electrical hazards.
- Never use the screwdriver set for prying or as a lever, as this may cause injury or damage to the tool.
- If working on electronic devices, ensure they are powered off and unplugged to avoid electric shock.

Instructions for Installation and Usage

1. **Selecting the Right Bit:** Choose the appropriate hex or Torx bit for the screw you are working with. Match the size carefully to ensure a proper fit.
2. **Attaching the Bit:**
 - Insert the bit into the driver handle until it clicks into place.
 - Ensure the bit is securely fastened before beginning work.
3. **Using the Screwdriver:**
 - Hold the driver handle firmly with one hand.
 - Position the bit over the screw head and apply gentle pressure.
 - Turn the handle clockwise to tighten the screw and counterclockwise to loosen it.
 - If resistance is felt, stop and check for the correct bit size or alignment.
4. **Storing the Screwdriver Set:**
 - After use, clean the bits and driver handles to remove any debris.
 - Place the screwdriver set back in its case for safe storage.
 - Ensure the case is closed properly to protect the tools.

Disposal Instructions

- Dispose of any damaged or wornout tools responsibly, following local waste disposal regulations.
- Do not dispose of tools in regular household waste. Check for local recycling programs that accept metal tools.
- If the product packaging is no longer needed, recycle it according to local guidelines.

Contact Information for Further Support

For any safety inquiries or product support, please refer to the manufacturer's contact information provided with your purchase. Always ensure you have the product details ready for a quicker response.

Thank you for your attention to these safety instructions. By following these guidelines, you can ensure a safe and effective experience with your Wheeler 55 Piece SAE/Metric Hex & Torx Screwdriver Set.
