# Wheeler Brass Punch Set Safety Instruction Guide

## Introduction

Thank you for choosing the Wheeler Brass Punch Set. This guide provides essential safety instructions and guidelines for the proper use of the product. By following these instructions, you can ensure safe and effective use of the punches while adhering to the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Always inspect the punches for any signs of damage before use.
- Ensure that the work area is clean, welllit, and free of hazards.
- Use personal protective equipment (PPE) such as safety glasses and gloves when using the punches.
- Keep the punches out of reach of children and vulnerable individuals.
- Do not use the punches for any purpose other than their intended use.
- Report any unsafe conditions or accidents to the relevant authorities.

## Specific Safety Precautions for Use

- Do not apply excessive force when using the punches, as this may cause breakage or injury.
- Ensure that the surface you are working on is stable and secure.
- Use the punches only on materials for which they are designed.
- Avoid using the punches in wet or damp conditions to prevent slipping and accidents.
- Always secure the workpiece properly before using the punches.
- If using a hammer in conjunction with the punches, ensure it is appropriate for the task and in good condition.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather all necessary tools and materials before starting.
- Choose the appropriate punch size for your application.

### 2. Using the Punch:

- Position the punch on the desired spot of the workpiece.
- Hold the punch firmly and strike it with a hammer, ensuring that your hands are clear of the impact zone.
- After punching, inspect the workpiece to ensure the hole is as intended.

### 3. Cleaning and Maintenance:

- After use, clean the punches with a dry cloth to remove any debris.
- Store the punches in a dry place, preferably in their original packaging, to prevent damage.

## Disposal Instructions

- Dispose of any damaged or unusable punches in accordance with local regulations.
- Do not dispose of the punches in household waste. Check for local recycling programs that accept metal tools.

## Contact Information for Further Support

For any inquiries or concerns regarding the safety and use of the Wheeler Brass Punch Set, please consult the appropriate local EU contact point for product safety. Ensure to keep updated with any recall notices or safety alerts provided through the EU's Safety Gate platform.

By following these safety instructions, you can ensure a safe and effective experience with the Wheeler Brass Punch Set. Thank you for your attention to safety!
