Wheeler Lead Barrel Vise Shims 4Pack Safety Instructions

Introduction

Thank you for choosing the Wheeler Lead Barrel Vise Shims 4Pack. These shims are designed to enhance the grip of your firearm during maintenance and adjustments. It is important to follow the safety instructions provided in this guide to ensure safe and effective use of the product.

General Safety Guidelines

- Always read and understand all safety instructions before using the product.
- Ensure that the firearm is unloaded and safe to handle before using the shims.
- Keep the product out of reach of children and vulnerable individuals.
- Inspect the shims for any damage or wear before use. Do not use damaged shims.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay informed about product recalls by checking the EU Safety Gate platform.

Specific Safety Precautions for Use

- Use the shims only for their intended purpose: to line between the barrel and vise bushings.
- Do not apply excessive force when tightening the vise to avoid damaging the firearm or the shims.
- Ensure that the shims are properly positioned before securing the firearm in the vise.
- Do not use the shims if they are wet or contaminated with any substances that may affect grip or stability.
- Always wear appropriate safety gear, such as safety glasses, when working with firearms.

Instructions for Installation and Usage

1. Preparation:

- Ensure the firearm is unloaded and placed in a secure location.
- Gather the necessary tools for installation, including the vise and any other equipment needed.

2. Installation of Shims:

- Take one or more shims from the pack.
- Place the shim(s) between the barrel and the vise bushings, ensuring they are aligned properly.
- Ensure the shims are flat and not twisted to provide maximum support.

3. Securing the Firearm:

- Carefully place the firearm in the vise, ensuring that the shims remain in place.
- Gradually tighten the vise until the firearm is secure. Avoid overtightening.
- Check the positioning of the shims after tightening to ensure they have not shifted.

4. PostUse:

- After use, carefully remove the firearm from the vise.
- Inspect the shims for any signs of wear or damage. Replace if necessary.
- Store the shims in a dry, safe place away from children.

Disposal Instructions

- Dispose of any damaged or worn shims in accordance with local waste disposal regulations.
- Do not dispose of the product in fire or extreme heat, as it may cause harmful emissions.

Contact Information for Further Support

For any safety inquiries or additional support regarding the Wheeler Lead Barrel Vise Shims, please contact the manufacturer through the appropriate channels available in your region.
