Tipton Felt Cleaning Pellets Safety Instruction Guide

Introduction

Thank you for choosing Tipton Felt Cleaning Pellets. These pellets are designed for effective cleaning of firearms in the .17 to .50 caliber range. This guide provides essential safety information and instructions to ensure safe and effective use of the product in compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Always keep the product out of reach of children and vulnerable individuals.
- Inspect the product for damage before use. Do not use if damaged.
- Store the product in a cool, dry place away from direct sunlight.
- Report any unsafe products or incidents to local authorities.
- Stay informed about product recalls through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Use the cleaning pellets only with firearms that match the specified caliber.
- Avoid using excessive force when cleaning to prevent damage to the firearm.
- Wear appropriate safety gear, such as safety glasses, when cleaning firearms.
- Do not ingest the pellets or use them for any purpose other than cleaning.
- Follow the manufacturer's instructions for using the included nickel plated jag.
- Dispose of used pellets responsibly; do not leave them in reach of children or pets.

Instructions for Installation and Usage

1. Preparation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Gather all necessary cleaning supplies, including the Tipton Felt Cleaning Pellets and a suitable cleaning rod.

2. Loading the Cleaning Pellets:

- Select the appropriate caliber cleaning pellet for your firearm.
- Attach the calibercorrect nickel plated jag to the cleaning rod.
- Insert one cleaning pellet onto the jag.

3. Cleaning Process:

- Insert the cleaning rod with the attached pellet into the barrel of the firearm.
- Gently push the rod through the barrel from the chamber to the muzzle.
- Repeat as necessary to achieve desired cleanliness, ensuring not to force the pellet.

4. PostCleaning:

- After cleaning, remove the cleaning pellet and inspect the barrel for cleanliness.
- Clean any remaining debris from the cleaning rod and jag.
- Store the cleaning pellets in a safe, dry location.

Disposal Instructions

- Dispose of used cleaning pellets in accordance with local regulations for nonhazardous waste.
- Do not dispose of cleaning pellets in regular household recycling.
- Ensure that cleaning pellets are stored securely until disposal to prevent accidental ingestion by children or pets.

Contact Information for Further Support

For any inquiries regarding safety, usage, or other concerns related to the Tipton Felt Cleaning Pellets, please contact your local distributor or the manufacturer directly. Always refer to official sources for the most accurate and up to date information.

Thank you for prioritizing safety and responsible use of your Tipton Felt Cleaning Pellets. Your attention to these guidelines helps ensure a safe cleaning experience for you and those around you.
