# Tipton Felt Cleaning Pellets Safety Instructions

## Introduction

Thank you for choosing Tipton Felt Cleaning Pellets. These pellets are designed for effective cleaning of firearms in the .30/.32 caliber range. To ensure safe and effective use, please read and follow these safety instructions carefully.

## General Safety Guidelines

- Ensure that all products are used in accordance with local laws and regulations regarding firearms and cleaning supplies.
- Always handle firearms with care, following the manufacturer's guidelines for safe operation.
- Keep cleaning pellets and all cleaning supplies out of reach of children and vulnerable individuals.
- Report any unsafe products or incidents to the relevant authorities.
- Stay informed about product recalls or safety notices through the EU Safety Gate platform.

## Specific Safety Precautions for Use

- Use only in accordance with the manufacturer's instructions to avoid potential hazards.
- Do not use these cleaning pellets for any purpose other than firearm cleaning.
- Ensure that the firearm is unloaded and pointed in a safe direction before starting the cleaning process.
- Wear safety goggles and gloves to protect against any cleaning solvents or debris.
- Avoid inhalation of any dust or particles generated during cleaning.
- Dispose of used pellets and cleaning materials in accordance with local waste disposal regulations.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure the firearm is completely unloaded.
- Gather all necessary cleaning supplies, including cleaning solvents, a cleaning rod, and the Tipton Felt Cleaning Pellets.

### 2. Loading the Cleaning Rod:

- Attach the calibercorrect nickel plated jag included in the package to your cleaning rod.
- Insert one felt cleaning pellet onto the jag.

### 3. Cleaning Process:

- Insert the cleaning rod with the attached pellet into the barrel of the firearm.
- Gently push the rod through the barrel from the chamber end to the muzzle.
- Repeat this process, using additional pellets as necessary, until the barrel is clean.

### 4. PostCleaning:

- After cleaning, inspect the barrel to ensure it is free from debris.
- Store the cleaning pellets in a cool, dry place away from direct sunlight and moisture.

## Disposal Instructions

- Dispose of used felt cleaning pellets and any cleaning materials in accordance with local regulations.
- Do not dispose of cleaning pellets in regular household waste if they contain hazardous materials.

## **Contact Information for Further Support**

For any safety inquiries or additional support, please refer to the product packaging for the appropriate contact details.

Thank you for your attention to these safety instructions. Your safety and satisfaction are our top priorities. Enjoy the effective cleaning of your firearms with Tipton Felt Cleaning Pellets.
