Tipton Felt Cleaning Pellets Safety Instruction Guide

Introduction

Thank you for choosing Tipton Felt Cleaning Pellets. These compressed felt pellets are designed for effective cleaning of firearms. This safety instruction guide provides essential information to ensure the safe use of this product in compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Always handle cleaning pellets with care to avoid injury.
- Keep the product out of reach of children and vulnerable individuals.
- Ensure that the cleaning area is wellventilated.
- Use the product only for its intended purpose.
- Regularly check for updates regarding product recalls or safety alerts.

Specific Safety Precautions for Use

- Do not use the felt cleaning pellets on firearms that are loaded.
- Avoid direct contact with eyes and skin. If contact occurs, rinse thoroughly with water.
- Store the pellets in a cool, dry place away from direct sunlight.
- Dispose of used pellets properly and do not leave them lying around.
- If you experience any adverse reactions while using the product, discontinue use immediately and seek medical advice.

Instructions for Installation and Usage

1. Preparation

- Ensure the firearm is unloaded and in a safe condition before cleaning.
- Gather all necessary cleaning tools, including the calibercorrect nickel plated jag provided in the pack.

2. Usage

- Select the appropriate felt cleaning pellet based on the caliber of your firearm (.17.50 cal).
- Attach the nickel plated jag to your cleaning rod.
- Insert the felt cleaning pellet onto the jag.
- Carefully push the cleaning rod into the barrel from the chamber end, ensuring a smooth motion.
- Remove the cleaning rod and jag after cleaning, and inspect the barrel for any remaining residue.

3. PostUsage

- Dispose of used felt cleaning pellets responsibly.
- Clean and store your cleaning tools properly after use.

Disposal Instructions

- Dispose of used felt cleaning pellets in accordance with local regulations.
- Do not incinerate or compost the pellets.
- Ensure that all cleaning materials are disposed of in a manner that does not pose a risk to the environment.

Contact Information for Further Support

For any safety inquiries or product concerns, please contact the manufacturer or consult the product packaging for further information.

Thank you for your attention to these safety guidelines. Your adherence to these instructions will help ensure a safe and effective cleaning experience with Tipton Felt Cleaning Pellets.
