Tipton Felt Cleaning Pellets Safety Instructions

Introduction

Thank you for choosing Tipton Felt Cleaning Pellets. These compressed felt pellets are designed for effective cleaning of firearms in .17 to .50 caliber. This guide provides essential safety instructions to ensure safe and proper usage of the product in compliance with EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Ensure that the product is used in accordance with the manufacturer's instructions.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly check for any signs of damage or wear before use.
- In case of any accidents or unsafe conditions, report to the appropriate authorities.
- Stay informed about product recalls and safety updates through the EU Safety Gate platform.

Specific Safety Precautions for Use

- Always wear appropriate eye protection when cleaning firearms.
- Avoid using the cleaning pellets near open flames or high temperatures.
- Do not ingest the pellets; they are not food products.
- Ensure that firearms are unloaded and in a safe condition before using the cleaning pellets.
- Follow the recommended cleaning procedures to avoid damage to the firearm.

Instructions for Installation and Usage

1. Preparation:

- Ensure that the firearm is completely unloaded.
- Gather all necessary cleaning tools, including the Tipton Felt Cleaning Pellets and the calibercorrect nickel plated jag included in the pack.

2. Loading the Jag:

- Attach the calibercorrect jag to the cleaning rod.
- Insert one felt cleaning pellet onto the jag.

3. Cleaning Procedure:

- Insert the jag with the pellet into the barrel of the firearm.
- Gently push the cleaning rod through the barrel, ensuring the pellet makes contact with the rifling.
- Pull the cleaning rod back out of the barrel.
- Repeat the process as necessary, using a new pellet for optimal cleaning.

4. PostCleaning:

- Inspect the barrel to ensure it is clean and free of debris.
- Store the cleaning pellets in a cool, dry place away from direct sunlight.

Disposal Instructions

- Dispose of used cleaning pellets in accordance with local waste disposal regulations.
- Do not dispose of pellets in water bodies or public spaces.
- Ensure that all cleaning materials are disposed of safely to prevent environmental contamination.

Contact Information for Further Support

For any safety inquiries or further support regarding the Tipton Felt Cleaning Pellets, please refer to the manufacturer's contact details available on the product packaging or the official website.

Thank you for prioritizing safety and proper usage of Tipton Felt Cleaning Pellets. Your adherence to these guidelines ensures a safer experience for everyone.
