# Caldwell EMAX® PRO Safety Instruction Guide

## Introduction

Thank you for choosing the Caldwell EMAX® PRO electronic hearing protection. This guide provides essential safety instructions and information to ensure the safe and effective use of your product. Please read this document carefully before using the EMAX® PRO to protect your hearing and enhance your experience at the range.

## General Safety Guidelines

- Ensure the product is suitable for your age and hearing needs.
- Always inspect the product for any visible damage before use.
- Use the hearing protection in accordance with the manufacturer's instructions to avoid potential hazards.
- Store the product in a dry place, away from direct sunlight and extreme temperatures.
- Regularly check for updates regarding product recalls or safety alerts on the EU Safety Gate platform.

## Specific Safety Precautions for Use

- The EMAX® PRO is designed for both youth and adult users. Ensure the fit is secure and comfortable for the wearer.
- Do not modify the product or remove any safety features.
- Avoid exposure to loud noises for extended periods, even when using hearing protection.
- If you experience discomfort or pain while wearing the EMAX® PRO, remove it immediately and consult a medical professional.
- Keep the product out of reach of young children when not in use.

## Instructions for Installation and Usage

### 1. Fitting the EMAX® PRO:

- Adjust the headband to fit snugly but comfortably on your head.
- Ensure the ear cups fully cover your ears for optimal noise reduction.

### 2. Using the Volume Controls:

- Use the push button volume controls to adjust the sound levels to your preference.
- Start with a lower volume and gradually increase it to avoid sudden loud noises.

### 3. Powering the Device:

- Insert AAA batteries into the designated compartment, ensuring correct polarity.
- Replace batteries as needed to maintain optimal performance.

### 4. Wearing the EMAX® PRO:

- Always wear the hearing protection when exposed to loud noises, such as gunfire at the range.
- Remove the hearing protection only in safe environments where noise levels are controlled.

## Disposal Instructions

- Dispose of the EMAX® PRO in accordance with local regulations for electronic waste.
- Remove batteries before disposal and recycle them according to local guidelines.
- Do not dispose of the product in regular household waste.

## **Contact Information for Further Support**

For additional support or inquiries regarding the Caldwell EMAX® PRO, please refer to the manufacturer's contact information provided with your product. You may also check for safety updates and recalls on the EU Safety Gate platform.

By following these safety instructions, you can ensure a safe and enjoyable experience with your Caldwell EMAX® PRO electronic hearing protection. Thank you for prioritizing your hearing safety!
