

## Passive Earmuff Gray 30NRR

[Shooting Accessories](#) > [Ear & Eye Protection](#) > [Ear Muffs](#)

The newly designed Passive Hearing Protection come with a 30dB NRR (full-sized) and 24dB NRR (low-profile and youth size) noise cancelling rating for maximum hearing protection on and off the range. With a comfort padded headband, soft comfortable ear cushions, and uninterrupted cheek weld, these are the most comfortable passive earmuffs you'll ever wear at the range. They fold to fit compactly in your range bag and come in youth, adult, and low-profile designs for every age and preference.

# Caldwell Passive Earmuff Gray 30NRR Safety Instruction Guide

## Introduction

Thank you for choosing the Caldwell Passive Earmuff Gray 30NRR. These earmuffs are designed to provide effective hearing protection with a noise reduction rating (NRR) of 30dB for fullsized and 24dB for lowprofile and youth sizes. This guide provides important safety information, usage instructions, and disposal guidelines to ensure your safety and satisfaction while using this product.

## General Safety Guidelines

- Ensure that the earmuffs are worn correctly to achieve maximum noise reduction.
- Check for any visible damage before each use; do not use if damaged.
- Keep the earmuffs away from extreme temperatures and moisture to maintain their effectiveness.
- Store the earmuffs in a cool, dry place when not in use.
- Regularly inspect the ear cushions and headband for wear and tear, replacing them as necessary.
- Follow all local regulations regarding hearing protection in shooting ranges or noisy environments.

## Specific Safety Precautions for Use

- These earmuffs are designed for adult and youth use; ensure that the correct size is selected for optimal fit.
- Do not modify the earmuffs in any way, as this may compromise their protective capabilities.
- When using in conjunction with other protective equipment, ensure compatibility to maintain safety standards.
- For children, adult supervision is recommended to ensure proper use and fit.
- Avoid using the earmuffs in environments where hearing is critical, such as near moving machinery or traffic.

## Instructions for Installation and Usage

### 1. Fitting the Earmuffs:

- Adjust the headband to fit snugly on your head without causing discomfort.
- Ensure the ear cushions fully cover your ears to provide an effective seal.

### 2. Using the Earmuffs:

- Wear the earmuffs before entering a noisy environment.
- Ensure that the earmuffs are positioned correctly over your ears.
- Do not remove the earmuffs until you are in a safe, quiet area.

### 3. Cleaning and Maintenance:

- Wipe the ear cushions and headband with a damp cloth to remove dirt and sweat.
- Allow the earmuffs to dry completely before storing them.
- Replace ear cushions if they become worn out or damaged.

## Disposal Instructions

- Dispose of the earmuffs in accordance with local waste disposal regulations.
- If the earmuffs are damaged or no longer usable, consider recycling components where possible.

- Do not dispose of earmuffs in household waste if they contain electronic components.

## Contact Information for Further Support

For any questions or concerns regarding the Caldwell Passive Earmuff Gray 30NRR, please refer to the manufacturer's support resources or visit the official website for additional information.

**Note:** Always report any unsafe products or accidents to the relevant authorities and check for recall updates on the EU's Safety Gate platform. Your safety is our priority.
