

# Passive Earmuff Gray 30NRR - Passive Low Pro Earmuff Gray 23NRR

[Shooting Accessories](#) > [Ear & Eye Protection](#) > [Ear Muffs](#)

The newly designed Passive Hearing Protection come with a 30dB NRR (full-sized) and 24dB NRR (low-profile and youth size) noise cancelling rating for maximum hearing protection on and off the range. With a comfort padded headband, soft comfortable ear cushions, and uninterrupted cheek weld, these are the most comfortable passive earmuffs you'll ever wear at the range. They fold to fit compactly in your range bag and come in youth, adult, and low-profile designs for every age and preference.

# Caldwell Passive Earmuff Safety Instruction Guide

## Introduction

Thank you for choosing the Caldwell Passive Earmuff. Designed for maximum comfort and effective hearing protection, these earmuffs are suitable for all ages and preferences. This guide provides important safety information and instructions for the proper use of your earmuffs to ensure your safety and satisfaction.

## General Safety Guidelines

- Always ensure that the earmuffs are properly fitted before use.
- Regularly inspect the earmuffs for any signs of damage or wear.
- Do not use the earmuffs if they are damaged or do not fit securely.
- Keep the earmuffs clean and dry to maintain their effectiveness.
- Store the earmuffs in a safe place when not in use to avoid damage.
- Always follow the manufacturer's instructions for use and maintenance.

## Specific Safety Precautions for Use

- **Hearing Protection:** The earmuffs provide a Noise Reduction Rating (NRR) of 30dB for full-sized and 24dB for low-profile and youth sizes. Always wear them in noisy environments to protect your hearing.
- **Comfort:** Ensure the padded headband and ear cushions fit comfortably around your ears. Adjust as necessary to avoid discomfort.
- **Cheek Weld:** The design allows for uninterrupted cheek weld, making them suitable for shooting sports. Ensure they are positioned correctly to maintain this feature.
- **Age Considerations:** Ensure that youth users are supervised when using the earmuffs to ensure proper fit and use.

## Instructions for Installation and Usage

### 1. Fitting the Earmuffs:

- Hold the earmuffs by the headband.
- Place the earmuffs over your ears, ensuring the cushions create a seal around your ears.
- Adjust the headband to ensure a snug fit without causing discomfort.

### 2. Using the Earmuffs:

- Wear the earmuffs in any noisy environment, such as shooting ranges, construction sites, or during loud events.
- Ensure that they are worn at all times when exposed to loud noises.

### 3. Cleaning and Maintenance:

- Wipe the earmuffs with a damp cloth to clean. Avoid using harsh chemicals.
- Allow the earmuffs to dry completely before storing them.
- Store in a cool, dry place away from direct sunlight.

## Disposal Instructions

- Dispose of the earmuffs in accordance with local regulations.
- If the earmuffs are damaged beyond repair, consider recycling the materials where possible.
- Do not dispose of earmuffs in regular household waste if they contain nonbiodegradable materials.

## **Contact Information for Further Support**

For any inquiries regarding safety or product performance, please reach out to your local Caldwell representative or authorized dealer.

Thank you for prioritizing your hearing safety with Caldwell Passive Earmuffs. Enjoy your experience while ensuring your hearing is protected.
