

Lead Sled 3

[Shooting Accessories](#) > [Shooting Rests](#) > [Rifle Rests](#)

The Lead Sled® 3 has become the standard in weight reduction shooting rests. The Lead Sled 3 reduces recoil by up to 95% while securely holding your gun on target. The new skeletonized front rest secures your gun with it's non-marring surfaces. The improved rear buttstock cradle uses top of the line Shock Eliminator Technology and has a non-marring cradle to keep your gun in place.

Caldwell Lead Sled 3 Safety Instruction Guide

Introduction

Thank you for choosing the Caldwell Lead Sled 3. This shooting rest is designed to enhance your shooting experience by reducing recoil and providing stability. However, it is essential to follow safety guidelines to ensure safe usage and prevent accidents. This guide provides important safety information, usage instructions, and disposal guidelines in compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Always read and understand the product manual before use.
- Ensure that the shooting rest is placed on a stable and level surface.
- Never exceed the weight limit specified for the Lead Sled 3.
- Keep the Lead Sled 3 out of reach of children and vulnerable individuals.
- Regularly inspect the Lead Sled 3 for any signs of wear or damage before each use.
- Report any unsafe conditions or incidents to the appropriate authorities.

Specific Safety Precautions for Use

- Ensure that your firearm is unloaded before placing it on the shooting rest.
- Always point the firearm in a safe direction when using the Lead Sled 3.
- Do not place your hands or any body part in front of the firearm while it is mounted on the Lead Sled 3.
- Use the Lead Sled 3 only with firearms that are compatible with its design.
- Be aware of your surroundings and ensure that the area is clear of unauthorized personnel when shooting.
- Avoid using the Lead Sled 3 in adverse weather conditions that may affect stability or safety.

Instructions for Installation and Usage

1. Setup:

- Place the Lead Sled 3 on a flat, stable surface away from any obstacles.
- Adjust the front rest to accommodate the type of firearm you are using.
- Ensure the nonmarring surfaces are clean and free of debris.

2. Mounting the Firearm:

- Carefully place the firearm in the front rest, ensuring it is securely held in place.
- Adjust the rear buttstock cradle to fit snugly against the firearm's stock.
- Confirm that the firearm is stable and will not shift during use.

3. Shooting:

- Before firing, doublecheck that the area is safe and clear.
- Fire the weapon while maintaining a firm grip on the Lead Sled 3.
- After shooting, ensure the firearm is unloaded before removing it from the rest.

4. PostUse:

- Once finished, carefully remove the firearm from the Lead Sled 3.
- Store the Lead Sled 3 in a dry place away from children.
- Regularly check for any signs of wear or damage.

Disposal Instructions

- When the Lead Sled 3 reaches the end of its life cycle, dispose of it in accordance with local regulations.
- Do not dispose of the Lead Sled 3 in regular household waste.
- Check with local waste management authorities for proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the Caldwell Lead Sled 3, please refer to the manufacturer's contact information provided on the packaging or product manual. Always ensure you have the latest information and safety updates regarding your product.

By following these guidelines and precautions, you can ensure a safe and enjoyable shooting experience with the Caldwell Lead Sled 3. Thank you for your attention to safety.
