Caldwell Lead Sled Weight Bag Safety Instruction Guide

Introduction

Thank you for purchasing the Caldwell Lead Sled Weight Bag. This product is designed to enhance the stability of your Lead Sled® 3, Solo™, or DFT™ 2 by providing additional weight. To ensure safe usage and maximize your experience, please read and follow the safety instructions outlined in this guide.

General Safety Guidelines

- Always use the weight bag as intended, following the manufacturer's instructions.
- Keep the weight bag out of reach of children and pets when not in use.
- Regularly inspect the weight bag for signs of damage or wear before each use.
- Do not exceed the recommended weight limit of 25 lbs per bag.
- Ensure that the weight bag is securely placed in the tray of the Lead Sled to prevent accidental movement or detachment.

Specific Safety Precautions for Use

- Use only lead shot, sand, or other approved weighted media inside the weight bag.
- Avoid using the weight bag in wet or damp conditions to prevent slipping or loss of grip.
- If the weight bag becomes punctured or damaged, discontinue use immediately and replace it.
- Do not attempt to modify or repair the weight bag on your own.
- Ensure that the weight bag is properly secured before transporting the Lead Sled.

Instructions for Installation and Usage

1. Preparation:

- Ensure that your Lead Sled® 3, Solo™, or DFT™ 2 is on a flat, stable surface.
- Gather the Caldwell Lead Sled Weight Bags and your chosen weighted media.

2. Filling the Weight Bag:

- Open the weight bag by unzipping or unfastening the closure.
- Carefully fill the bag with up to 25 lbs of lead shot, sand, or approved media.
- Ensure that the bag is filled evenly to maintain balance.

3. Placing the Weight Bag:

- Locate the tray on your Lead Sled.
- Place the filled weight bag securely in the tray, ensuring it fits snugly.
- Close any fasteners or zippers to secure the weight bag in place.

4. Using the Lead Sled:

- Once the weight bag is installed, ensure that the Lead Sled is stable before use.
- Follow the instructions for your specific Lead Sled model for optimal operation.

5. Removing the Weight Bag:

- After use, carefully remove the weight bag from the tray.
- If necessary, empty the media from the bag before storage.

Disposal Instructions

- Dispose of the weight bag in accordance with local regulations.
- If the bag is damaged, do not throw it in regular waste. Check for recycling options or hazardous waste disposal guidelines in your area.
- Ensure that any media used (lead shot, sand, etc.) is disposed of responsibly and in compliance with environmental regulations.

Contact Information for Further Support

For safety inquiries or additional support regarding the Caldwell Lead Sled Weight Bag, please contact the manufacturer or your local retailer. They can provide assistance and information regarding product safety and compliance with EU regulations.

Conclusion

Your safety is our priority. By following these guidelines, you can ensure a safe and enjoyable experience with the Caldwell Lead Sled Weight Bag. Always stay informed about product recalls and safety updates through official channels. Thank you for choosing Caldwell products.
