Caldwell Accumax Pic Rail Bipod 6"9" Safety Instruction Guide

Introduction

Thank you for choosing the Caldwell Accumax Pic Rail Bipod 6"9". This safety instruction guide aims to inform you of the essential safety guidelines, precautions, and proper usage of the bipod to ensure safe and effective operation. Please read this guide thoroughly before using the product.

General Safety Guidelines

- Ensure the bipod is used only for its intended purpose, which is to stabilize firearms during shooting.
- Always inspect the bipod before each use to ensure it is in proper working condition and free from damage.
- Keep the bipod out of reach of children and unauthorized users.
- Use the bipod only on stable surfaces to prevent tipping or falling.
- Report any accidents or unsafe products to the relevant authorities.

Specific Safety Precautions for Use

- Always ensure that the bipod is securely attached to the firearm before use.
- Do not exceed the weight limit of the bipod as specified by the manufacturer.
- Avoid using the bipod in adverse weather conditions, such as high winds or heavy rain, which may affect stability.
- Be aware of your surroundings and ensure that the area is clear of people and obstacles before shooting.
- Do not attempt to modify the bipod in any way, as this may compromise its safety and functionality.
- Always follow local laws and regulations regarding firearm use and safety.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Align the bipod's mounting mechanism with the Picatinny rail on your firearm.
- Slide the bipod into place and secure it according to the manufacturer's instructions.
- Check that the bipod is firmly attached and does not wobble.

2. Usage:

- Deploy the carbon fiber legs by pressing the quickdeployment mechanism.
- Adjust the leg length to your desired height using the twistlock technology.
- Use the swivel tension lever to adjust the movement of the bipod for optimal stability.
- Adjust the angle of the legs up to 180 degrees based on your shooting position.
- After use, retract the legs and store the bipod in a safe location.

Disposal Instructions

- Dispose of the bipod in accordance with local regulations for nonhazardous waste.
- If the bipod is damaged beyond repair, consider recycling materials where possible.
- Do not dispose of in regular household waste if local regulations prohibit it.

Contact Information for Further Support

For any questions or concerns regarding the Caldwell Accumax Pic Rail Bipod, please consult the manufacturer's website or customer service.

By following these safety instructions, you can ensure a safer experience while using the Caldwell Accumax Pic Rail Bipod 6"9". Thank you for prioritizing safety and responsible usage.
