# Caldwell Accumax Pic Rail Bipod Safety Instructions

## Introduction

Thank you for choosing the Caldwell Accumax Pic Rail Bipod. This guide provides essential safety instructions to ensure the safe and effective use of your bipod. Please read this document thoroughly before using the product.

## General Safety Guidelines

- Ensure the bipod is used only for its intended purpose: stabilizing a rifle during shooting.
- Always inspect the bipod for any damage or wear before each use. Do not use if damaged.
- Keep the bipod out of reach of children and unauthorized users.
- Be aware of your surroundings and ensure that the shooting area is safe and secure before use.
- Always follow local laws and regulations regarding firearm usage and shooting practices.

## Specific Safety Precautions for Use

- Use the bipod on stable and level ground to avoid tipping or instability.
- Avoid placing the bipod in areas where it may be exposed to extreme weather conditions, as this may affect its performance.
- Do not exceed the weight limit specified by the manufacturer. Overloading the bipod may cause failure.
- Ensure that all adjustments, such as leg angle and swivel tension, are secure before use.
- When adjusting the bipod, keep hands and fingers clear of moving parts to prevent injury.

## Instructions for Installation and Usage

### 1. Installation:

- Attach the bipod to the picatinny rail of your rifle using the provided mounting mechanism.
- Ensure that the bipod is securely fastened and locked in place.
- Adjust the legs to the desired length (6"9" or 9"13") according to your shooting position.

### 2. Usage:

- Deploy the bipod by extending the legs to the desired height.
- Adjust the leg angle as needed using the twistlock technology.
- Use the swivel tension lever to adjust the movement of the bipod for better targeting.
- Always ensure the bipod is stable before taking a shot.

## Disposal Instructions

- Dispose of the bipod in accordance with local regulations.
- If the bipod is damaged beyond repair, consider recycling materials where possible.
- Do not dispose of the bipod in regular household waste if it contains hazardous materials.

## Contact Information for Further Support

For any safety inquiries or concerns regarding the Caldwell Accumax Pic Rail Bipod, please refer to the official manufacturer contact points. Ensure you keep this manual for future reference.

By following these safety instructions, you can ensure a safe and enjoyable experience with your Caldwell Accumax Pic Rail Bipod. Always prioritize safety and responsibility when handling firearms and associated

equipment.
