

Mag Charger Universal Pistol Loader

[Shooting Accessories](#) > [Speedloaders & Accessories](#) > [Magazine Speedloaders](#)

The Caldwell® Mag Charger® Universal Pistol Loader is designed to work with almost all pistol magazines. The Universal Pistol Loader works with both single-stack and double-stack magazines, and loads 9mm, 10mm, .357 Sig, .40S&W and .45 cal ammo. This magazine loader is simple to use, just drop in a round and squeeze the lever. The adjustable side shims align magazines of any width for optimal use, and are labeled with numbers for quick adjustment. The lock knob keeps virtually any size magazine secure including most .380 magazines. The extremely durable polycarbonate construction will stand up to years of pistol magazine loading.

Caldwell Mag Charger Universal Pistol Loader

Safety Instructions

Introduction

Thank you for choosing the Caldwell® Mag Charger® Universal Pistol Loader. This product is designed to simplify the process of loading various pistol magazines. To ensure your safety and the proper use of this product, please read and follow the safety instructions outlined in this guide.

General Safety Guidelines

- Always handle firearms and ammunition with care and respect.
- Ensure the loader is used in a safe environment, free from distractions.
- Keep the loader and ammunition out of reach of children and unauthorized users.
- Regularly inspect the loader for any signs of damage or wear before use.
- If you experience any issues or concerns with the loader, discontinue use immediately and seek assistance.

Specific Safety Precautions for Use

- Do not overload the loader beyond its specified capacity.
- Always ensure the loader is empty before making adjustments.
- Use only compatible magazines as specified by the product guidelines.
- Avoid placing fingers near the loading mechanism during operation.
- Never point the loader at yourself or others when loading ammunition.
- Store the loader in a secure location when not in use.

Instructions for Installation and Usage

1. Preparation:

- Ensure the loader is clean and free from debris.
- Gather your magazines and ammunition.

2. Loading Process:

- Place the loader on a stable surface.
- Adjust the side shims to fit the magazine width by referring to the labeled numbers.
- Insert the magazine into the loader until it is securely in place.
- Drop a round of ammunition into the loader.
- Squeeze the lever to load the round into the magazine.
- Repeat the process until the magazine is fully loaded.

3. PostLoading:

- Once loading is complete, remove the magazine from the loader.
- Store the loader and ammunition safely.

Disposal Instructions

- Dispose of the loader in accordance with local regulations for plastic products.
- Do not dispose of the loader in regular household waste.
- Consider recycling options if available in your area.

Contact Information for Further Support

For any inquiries or concerns regarding the Caldwell® Mag Charger® Universal Pistol Loader, please refer to the manufacturer's website or customer service resources for assistance.

By following these safety instructions, you can ensure a safe and effective experience with your Caldwell® Mag Charger® Universal Pistol Loader. Always prioritize safety when handling firearms and ammunition.
