Caldwell Mag Charger Ammo Box Safety Instruction Guide

Introduction

Thank you for choosing the Caldwell® AK Mag Charger® Ammo Box. This product is designed to facilitate the safe and efficient storage and transportation of ammunition. To ensure your safety and the safety of others, please read and follow the instructions and guidelines outlined in this document.

General Safety Guidelines

- Always handle ammunition with care and store it in a safe manner.
- Ensure that the ammo box is used only for its intended purpose: storing and transporting .223, 5.56 x 45, and .204 rounds.
- Keep the ammo box out of reach of children and unauthorized individuals.
- Regularly inspect the ammo box for any signs of damage or wear that could affect its performance.
- Report any unsafe products or incidents to local authorities and check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Do not overfill the ammo box beyond its capacity of 50 rounds.
- Ensure that the lid is securely closed when transporting the ammo box to prevent accidental opening.
- Avoid exposing the ammo box to extreme temperatures or moisture, as this can affect the durability of the polymer material.
- Do not use the ammo box if it shows signs of cracking, warping, or any other form of damage.

Instructions for Installation and Usage

1. Opening the Ammo Box:

- To open the ammo box, gently lift the lid from the bottom cavity. Ensure that the lid is completely detached before proceeding.

2. Loading Ammunition:

- Place the ammunition into the box, ensuring that it is arranged neatly and does not exceed the 50round capacity.
- Ensure that the rounds are facing the same direction to prevent any potential jams during loading into the Mag Charger.

3. Closing the Ammo Box:

- Once loaded, replace the lid securely on the box. Ensure that it is firmly in place to avoid accidental opening.

4. Transporting the Ammo Box:

- When transporting, hold the box securely and avoid dropping or throwing it to prevent damage.
- Store the ammo box in a cool, dry place during transport.

Disposal Instructions

- Dispose of the ammo box in accordance with local regulations regarding plastic waste.
- If the ammo box is damaged and cannot be used, ensure that it is disposed of in a manner that prevents any potential hazards to the environment.
